Agenda Item 4a-March 6, 2019 meeting minutes

BAYSHORE BEAUTIFICATION MSTU MINUTES OF THE MARCH 6, 2019 MEETING

The meeting of the Bayshore Beautification MSTU Advisory Committee was called to order by Chairman Maurice Gutierrez at 5:00 p.m. at the CRA Office, 3750 Bayshore Drive, Unit 102, Naples, FL 34112.

I. Roll Call: Advisory Board Members Present: Chairman Maurice Gutierrez, Sandra Arafet, Susan Crum, George Douglas, Sheila Dimarco, Robert Messmer and James Bixler.

MSTU Staff Present: Debrah Forester, CRA Director; Tami Scott, Senior Project Mgr; Shirley Garcia, Operations Coordinator

II. Pledge of Allegiance: Led by Chairman Maurice Gutierrez.

III. Adoption of Agenda: CRA Director Debrah Forester, added under old business Office Space. Sandra Arafet made a motion to accept the Agenda as amended. Second by Sheila Dimarco. Passed Unanimously.

IV. Adoption of Minutes: George Douglas made a motion to pass the Minutes as written. Second by Bob Messmer. Passed Unanimously.

V. Landscape Report:
   A. Update on Landscaping—Aaron Gross, Ground Zero Landscaping— Mr. Gross provided an update on the plantings on the bridge, the geraniums are starting to wilt because it is getting too hot so if the committee would like to switch out 2 of the planters with another seasonal plant something to think about. The dead foxtail toward Sawyers Marina was removed and another one was found at median 7. Sandra Arafet asked if the geraniums would be good for a couple more months, but Aaron Gross said maybe a couple of more weeks if the cold weather stays.

VI. Other Agencies:
   a. Sheriff’s Office- Cpl Sylee Gibson provided a clarification on the trespassing warning on private properties, in the past the owner could let the Sheriff’s office know to trespass people via telephone but now the owner of the property does need to be on site to say they do not want the folks on their property. Sgt. Folden provided clarification on why the policy has changed, this issue is civil. The interpretation of their legal team is that a police officer is not the agent for the owner and has no rights to trespass unless the owner is present at the time to visually see the person and request they be trespassed off of their property. They would then have to follow up with an affidavit swearing that they want the person trespassed again if that same person returns back to the property. The CRA Director requested the Sheriff’s Office return on the CRA April meeting to see if some changes can occur regarding the trespass.
b. **Code Enforcement**- The Code Enforcement monthly report was in the packet for review, John Johnson attended if anyone had any questions.

VII. **Old Business:**

a. **Barry Williams, Director of Parks and Recreation**- Update on Hamilton Avenue- The Board of County Commissioners has approved their project and it is moving forward. He will come back to provide a timeline at a later date at the MSTU meeting. He wanted to clarify that Parks and Recs in the past has sent out letters of interest to purchase lots on Danford St. because at the time they were looking in the future for options for Bayview Park. Ms. Forester wanted to mention that there was speeding on the street from vehicles going into the park and staff had asked the Sheriff’s Office to go down on the weekends and monitor speed. Mr. Williams agreed that they would also work with the Sheriff’s Office to ensure their patrons watch their speed going down there as good neighbors.

b. **Redevelopment Plan-CCPC meeting rescheduled to March 21, 2019-** 9am at the BCC Chambers and Debrah Forester is recommending the public attend to show support.

c. **2020 Work Plan**- Ms. Forester provided the upcoming work plan for projects for the Budget year. She had explained what the projects were on the list and how to rate according to their priority.

d. **Office Space**- Ms. Forester updated the Committee on the Pineland Office Space that the CRA would be terminating the lease agreement because the permits still hasn’t been pulled and staff was spending too much time trying to get the Contractor to pull the permit and this has been going on for too long. The February extension for them has passed and there is no reason to continue waiting on this issue.

VIII. **New Business:**

a. **2018 Annual Report**- A draft annual report was provided for feedback on the report. This would be submitted to the Board of County Commissioners on the joint annual workshop.

b. **Crepe Myrtle-US41 Triangle**- Ms. Forester had previously mentioned in the work plan about the “pork chop” which is the triangle area off US41 which is not part of the MSTU landscape maintenance, but she will check to see if that is actually in the MSTU boundary per the survey. Tami Scott mentioned that area may go away because there have been discussions in the Transportation meetings that they may change that turn lane and the triangle area may go away.

IX. **Staff Reports:**

A. **Project Manager Report**: Tami Scott, Senior Project Manager, highlighted several projects. Tami Scott went over the CEI Services and let the Committee know that they are still negotiating the price, their original bid amount was 20% of the cost of the construction which is too high, normally CEI Svc would range between 8-12 percent. There could be some cost share for the Hamilton Harbor project with the Parks and Recs Dept. Ms. Scott wanted to clarify about the flag pole in the center of the roundabout because there were some ideas recommended via email on other options for the center but the plans have already been addressed what would
go into the middle which includes some plantings and a substantial size flag to honor Mr. Ackerman at Del’s so for the Committee Members who may have not seen the previous plans she wanted to clarify on it.

B. **Financials:** The financial report was provided for review.

C. **Maintenance report:** The maintenance report was provided for review.

**X. Correspondence and Communications:**

a. February 19th, 2019 Joint Workshop Summary (Attachment)- A summary of the Joint workshop was provided to the Committee Members for their review and information. Ms. Forester wanted to mention that the CRA Board had asked if a joint meeting with the other boards would be a good idea and wanted a consensus on what the committee thought. There was a consensus from the members to do a joint workshop every year.

**XI. Public Comments:** Mike Howle new president from Moorehead Manor introduced himself and a couple of other Board Members from their HOA and he is looking forward to working with the MSTU. Susan Davis lives on Danford St. inquired about a public forum on the Hamilton Ave project and how they are directly impacted by the traffic that continues to drive fast down there. She mentioned several issues on the vehicles driving in the resident’s driveway and knocking down mailboxes. There were several discussions on enforcing parking in the right of way on Hamilton Ave because this is not allowable at this time.

**XII. Staff Comments:** Ms. Forester mentioned the discussions at the CRA meeting about the overgrown vacant lots and how to address making the owners maintain their overgrown vacant lots on a regular basis. There will be more to come on that issue.

**XIII. Advisory Committee Comments:** Maurice Gutierrez mentioned about the speed bumps on Lakewood Blvd. and why our streets could not be approved for traffic calming devices like Lakewood.

**XIV. Next Meeting Date:**

A. Joint Workshop – April 2, 2019 @ 9 a.m. BCC Chambers

B. April 3, 2019

**XV. Adjournment:** 6:45 pm

<td>The new development by Mattamy Homes being built on thomasson and bayshore is the area i am contacting you about. March 6th there was a crew digging from the Mattamy development thru a back gate, across pine street to a land locked body of water. When they did this they cut my Centurylink cable. The Centurylink tech said they(Mattamy) did not contact No Dig( I believe that is the name) to prevent this from happening. Centurylink had to run all new cable because of this. My concern is this and that they seemed to be laying /burying a large white pipe under the road that seemed to be connecting to the land locked canal between the 2 streets. Thank you for looking into this</td>

Item 7a
April 3, 2019
Bayshore Community Redevelopment Agency
Surface Parking lot Improvements
3321 Bayshore Drive
Naples, Florida 34112

**Schematic Design – Site Features and Amenities:**

The following list of conceptual amenities and features will be incorporate and approved as part of the Site Development Plan, features can be implemented all at once or phased as the budget allows.

1. Total of 37 spaces: 31 Standard, 2 Handicap, 2 EV Charging Station, 2 On Street spaces, a single wide entrance and single wide exit from Coco Avenue.

2. Wayfinding Sign: The first of several Wayfinding directional signs that are part of an overall sign program for a district and neighborhood, the signs will provide directions and location map of recognized areas approved through the Community Redevelopment Agency.

3. Bicycle Rack: Fixed bicycle rack mounted to a concrete pad, the bicycle rack is open to the public and accessible from the extended sidewalk.

4. On street parking: The site plan has identified two on street parking spaces on Bayshore Drive directly in front of the parking lot and adjacent to the street wall. Theses spaces do not interfere with the current travel lanes and are cut into the property, similar to a turn lane. The intention is, these two spaces will be designed for both Uber and Nickel Ride pickup.

5. Street Wall: The current LDC (land Development Code) requires a street wall at any parking lot adjacent to Bayshore Drive. Staff is using this requirement as a way it incorporate several of the unique features allowed as part of Bayshore Overlay District. Access from the extended sidewalk to the parking lot is on either side of the wall adjacent to the HC parking. Features of the wall include.
   a. Extended Sidewalk: The sidewalk in front of the parking lot will be extended from the curb to the street wall. The plan shows three pedestrian accesses points to the parking lot from the extended sidewalk, on either side of the street wall and at the pocket park.
   b. Built-in Bench: The street wall will incorporate a built-in bench for pedestrians waiting for an Uber or Nickel Ride pick up. The bench will be integrated into the wall, possibly as a suspended slab, suspended wood bench or the wall itself could have two levels.
   c. Mural: The face of the wall could do triple duty as a public art piece, such as a mural or signage, welcoming folks to Bayshore.
6. Pocket Park: Staff is cognizant of the existing mature trees on the property and has taken steps to layout the plan in such a way to incorporate existing trees where possible. One tree being incorporated into the plan is the 36” oak at the corner of Bayshore Drive and Coco Avenue, the tree will be incorporated into the sidewalk (tree well) along with the same street wall and bench.

7. Electrical Vehicle Charging Station: A free standing, pull-up and plug-in EV charging system is located at the center of the parking lot. The charger will accommodate the two designated electric car spaces (first cost of this item is approximate 4,000 – 5,000 not including installation and maintenance).

8. Stormwater: The area between the back to back spaces is designated for storm water, this area will be designed to capture the stormwater runoff from the site.

9. Masonry Wall- The current LDC (Land Development Code) requires a landscape buffer between the commercial parking lot and the residential property to the east. The wall on the residential side will have planting in front, the wall on the commercial side could be used to create a mural, a living landscape wall, art piece, sculpture or signage welcoming folks to Bayshore.

10. Future Waterfront Development: The site area adjacent Haldeman Creek has been left undeveloped (low landscape only, grass) for future access to the water.

**Property Management:**

Much has been discussed about how the CRA (Community Redevelopment Agency) will manage the parking lot, staff will further explore the following options with Board direction.

1. **No Requirements**

The spaces are simply open to the public, CRA (Community Redevelopment Agency) staff only gets involved for issues regarding nuisance vehicles or maintenance of the parking lot.

2. **Parking Meters**

Multi Space Solution in Sunrise Florida is a local supplier and service company of Solar Master Meters. Typically, one master meter can handle approximately 25 spaces of constant coming and going vehicles, if the majority of vehicles are simply parked for the day then one Master Meter could handle all 37 spaces.

The cost of the Master Meter is approximately $12,000 dollars installed, with a monthly service fee of $55.00 per month. Multi Space Solutions service fee is to manager our account and provide technical service when needed, Multi Space Solutions can troubleshoot a problem from their office. The meter can be programmed in several configurations as noted below and all monies go directly into an established CRA account.
Pay and Display - In this mode, a customer purchases parking time and receives a printed ticket indicating the ticket expiry time, which is then placed and displayed on the paying customer’s car dashboard. This is the simplest and most popular configuration.

Pay by Space - In this mode, a customer enters a space number into the meter corresponding to the location of their parked vehicle, and then makes payment appropriate to their desired parking time. The space manager in the Multi or in a remote space manager server keeps track of paid and expired spaces. There is no need to return to one’s vehicle.

Pay by Plate - In this mode, a customer enters their license plate number into the meter before or after inserting payment. The transaction is communicated to a secure enforcement server where the space manager keeps track of paid and expired plates. Like Pay by Space, there is no need to return to one’s vehicle.
3. lease spaces

The option exists to lease the spaces to businesses, this could help facilitate a new business that cannot meet their parking requirements or an existing business that wants to expand, if the parking is tied to a business it will require a formal recorded shared parking agreement or a lease agreement that ties back to a site development plan.

The current land development code allows for such agreements in section 4.02.16, F, 2a, b and c (shown below).

Current Land Development Code

4.02.16 - Design Standards for Development in the Bayshore Gateway Triangle Redevelopment Area

F. Parking Standards. The purpose of the parking standards for the BMUD and GTMUD is to regulate the location, siting, and design of on-street and off-street parking in a manner that provides convenient access to adjoining uses, reduces increased surface level heat and glare, and enhances pedestrian, bicyclist and motorist safety and visibility within the built environment. Parking in the BMUD and GTMUD shall be as provided for in section 4.05.00, except as specified in this section.

1. Parking Space Requirements: Parking spaces shall be provided in accordance with the following table. For uses not specifically listed, the most similar category shall be used to calculate the minimum parking requirements. Net Floor Areas defined as total floor area excluding mechanicals and core space.

2. Adjustments to Parking Space Requirements: Developments which meet any of the following standards may be exempted from the minimum parking requirements of this section.

a. Public parking facilities. The CRA can make parking on CRA owned property available to meet the minimum parking requirements for new construction or redevelopment projects. An applicant must provide documentation stating the parking allocation has been approved by the CRA as part of the MUP, site development or site improvement plan process. The public parking facility must be located within one-half mile of the development. Once spaces are allocated to a specific property through the approval of the MUP, SDP or SIP, the applicant has one year to begin utilizing the parking. If the spaces are not used within one year, and an extension is not granted by the CRA, the spaces will be made available for reallocation and all development orders shall be revised accordingly.

b. Off-site parking. Off-site parking may be used in order to meet the minimum parking requirements, provided the off-site parking is located no farther than 1,200 feet from the use it will serve. The location and design of the off-site parking will be shown on the SDP or SIP and approved as part of the SDP or SIP review and approval process. The required parking spaces will be committed by a recordable covenant, lease, or other agreement.

c. Shared parking. Shared parking is permitted for new development if the applicant establishes that the peak parking demands for the new uses clearly occur at different times. A shared parking agreement must be recorded by a recordable covenant, lease, or other agreement. Shared parking lots
must be within 600 feet of each use and may not be separated from the use by a street right-of-way or easement exceeding 60 feet in width.

d. On-street parking. Where on-street parking exists or is permitted, a development may count the spaces directly along the site’s frontage toward the minimum parking requirement, however the on-street parking spaces are considered public spaces and are not for the exclusive use of the adjacent use.

e. Tree preservation. The minimum number of spaces required may be adjusted by the County Manager or designee when it has been determined that the reduction is necessary to preserve a healthy tree or trees (with a 12 inch or greater diameter at breast height) from being damaged or removed, and where the site plan provides for the retention of said tree or trees.

f. Connectivity. Parking lots are encouraged to connect to adjacent lots using a joint access easement. If a joint access easement provided for connectivity, then the minimum parking requirement for the use may be reduced by 10 percent.

**Property Maintenance:**

As owners of the parking lot we will be obligated to maintain it, cost could conservatively be $20,500 dollar per year.

1. Taxes - (Exempt)
2. Liability insurance (percentage through Collier County umbrella policy $1,000.00)
3. Landscape and Hardscape maintenance $15,000.00
4. Water usage $1,200.00
5. Electrical usage $600.00
6. Administrative / Staff cost $3,000.00
7. Master Meter service -$700.00

PROJECT UPDATES

Tami Scott Senior Project Manager
April 2019

• CRA PROJECTS

Redevelopment Plan:
Final discussion / review of plan schedule for the April 2, 2019 joint workshop meeting. Plan is available on the Bayshore CRA website: www.bayshorecra.com

17 Acre Cultural Arts Village Site:
4265, 5315 Bayshore Drive, Folio 6440960103
FGCU proposal being reviewed by staff. Continued discussion anticipated at the April 2 Joint workshop with CRA and Advisory Boards. Community Input Survey results on the priorities and vision for the site is available on the Bayshore CRA website: www.bayshorecra.com.

Mini Triangle Property:
1807 Tamiami Trail East, Folio 00386840007
Property has resold and renamed, “Gateway of Naples” new owner has submitted for an insubstantial change – On August 31, 2018 GMD sent the applicant a letter indicating the approval letter was sent in error, a list of issues still needed to be resolved. Final approval is pending.

GatewayTrianglepurchase&development
1936 Davis Boulevard, Folio 77510240008
1965, 1991 Tamiami Trail East
PUD approved May 8, 2018 BCC meeting, Developer looking to potentially open a sales office in one of the vacant buildings. Final closing of property is 30 days following the decommissioning and removal of cell tower. Crown Castle is pending approval by the FAA for the replacement tower at Kirkwood Site.

Cell Tower Relocation: PL2018003059
1936 Davis Boulevard, Folio 77510240008
1965, 1991 Tamiami Trail East
SDPI approved by County on January 4 to locate one new tower on Kirkwood. Crown Castle is working with GMD on revised approval to implement an alternative plan for two towers if FAA doesn’t grant the height request for one tower.

Fire Suppression System- Phase 2:
Phase 2 includes Becca Avenue and Pine Street
Project documents have been sent to the Collier County procurement department, CRA staff is waiting for the Environmental report from Community and Human Services (CHS ) to proceed.
Fire Suppression System - Phase 3:
CRA staff submitted a grant application for Fire Suppression Phase 3 - Phase 3 includes Areca Ave., Coco Ave, Basin Street, Canal Street and Captains Cove.
**CHS has recommended approval of the project, this item will now go before the Board of County Commissioners for consideration, June 25th BCC meeting.**

CRA Office Space:
2348 Pineland Avenue Unit 6, Folio 56150040003
CRA Staff has worked with the contractor’s design professional to finalize a revised floor plan. The construction documents were submitted on January 7, 2019 for a building permit (permit number PRBD20181268829). As of 1-28-2019 no building permit has been issued. CRA has requested a third extension on current lease space to continue to rent until April 30, 2019.
**Lease termination was approved at the 3-12-2019 BCC meeting, this item is considered complete and will be removed from next month’s project list.**

Master Pump Station 306:
Thomasson Avenue and Thomasson Drive
Public Utilities is starting a new Master Pump Station 306 Renovation/Relocation project. Construction underway.

Thomasson Drive:
Bayshore Beautification Thomasson Drive Project - procurement schedule / process

Solicitation Number – 18-7386

Solicitation Title – CEI Services for Thomasson Drive Beautification Project
Procurement Strategist – Evelyn Colon
June 2019- Start Date

- 30 days posting period – July 1, 2018
- Complete, required a second posting and solicitation
- Organization meeting- July 15, 2018
- Complete, required a second organization meeting
- Selection committee scores and interviews –
- October 31, 2018 selection committee selected AECOM
- Contract Negotiation- November 2018
- Executive summary submitted to procurement on November 15, 2018
- Schedules for the first meeting in January to move forward with Contract Negotiation.
- Contract negotiation to start on February 26, 2019
- Negotiation completed -PM prepares material for BCC May 2019
- Board approval – June 2019
- Notice to proceed- June 2019

Solicitation Number – 18-7385

Solicitation Title – Thomasson Drive Beautification Project
Procurement Strategist – Barbra Lance
September 2019 - Start Date-
Coordination meeting for phasing changes to schedule for April 3, 2019

- 30 days invitation to bid – June 1, 2019
- Organization meeting- June 15, 2019
- Selection committee scores and interviews – July 1, 2019
- Contract Negotiation- July 15, 2019
- Contract finalized- August 1, 2019
- PM prepares material for BCC – August 15, 2019
- Board approval – September 9, 2019
- Notice to proceed- September 30, 2019

Bayshore Drive Beautification Renovation:
Work order submitted for Landscape Architectural services to review and make recommendations
best practice approach to renovate existing hardscape, landscape, sidewalks, lighting and irrigation.

Bayshore Monument Sign Renovation:
Work order submitted for renovations to existing monument structure/ sign at the entrance to
Bayshore Drive. Renovation to include, power washing, painting of structure and roof, replace
fabric, replace signage with current logo.
• **HALDEMAN CREEK MSTU PROJECTS**

**Bathymetric Survey and Data Review**
Humiston and Moore Engineers have been retained to provide a Bathymetric Survey of the Haldeman creek existing conditions. The survey data will be used to compared to the 2006/2007 post dredge information with the current conditions. The information will be used for discussions to move forward with permitting if dredging is required.

*Both the purchase order and notice to proceed were executed Friday, March 22, 2019. The survey crew was out the week of March 25, 2019 to collect data, the crew expect to wrap it up their work by April 1, 2019.*

• **COMMERCIAL ACTIVITY**

**Best Popcorn Company:**
6023 Bayshore Drive, Folio 77821440005
“Best Popcorn Company” is open, hours of operation are Wednesday- Sunday 12:00 – 6:00.

*This project is complete and will be removed for next months project list.*

**Davis Place, Multi-Tenant Commercial Building:**
2669 Davis Boulevard, Folio 61833560002
Construction progressing, Shell complete, property owner is anticipating a March 2019 opening date.

*This project is complete and will be removed from next month’s project list.*

**Road Re-Surfacing project on Davis Boulevard:**
FDOT is starting a resurfacing project on Davis Boulevard, The BGTCRA contact for the project is Christopher.Mollitor@dot.state.fl.us>

*This project is complete and will be removed from next months project list.*

**East Trail Lock Up:**
2295 Tamiami Trail East, Folio 00388760004

*This project is complete and will be removed from next month’s project list.*

**COMCAST:**
5030 South Bayshore Drive: PRROW20190309644
Small utility project bore under Bayshore Drive south, east to west to install a new 2” conduit. Right of way permit approved 3-18-2019

**Ankrolab Microbrewery:**
3555 Bayshore Drive, Folio 6184320001
Construction progressing, property owner is anticipating a mid-April opening date.

**Harborside Veterinary Clinic:**
2662 Davis Boulevard, Folio 70820200007
Construction progressing, shell complete, property owner is anticipating an planning on opening the Tuesday after Memorial Day, May 28, 2019.
Wood Springs Suites Hotel:
2600 Tamiami Trail East, Folio 61835000007
Construction progressing, structure taking shape, all four floors of exterior block walls have been completed, roof is on, windows in, no scheduled completion date.

RaceTrac: PL20180000543
2891 Tamiami Trail East, Folio 61834720003
Collier County has approved the RaceTrac project of the corner of Tamiami trail and Shadow lawn has been approved. Work is scheduled to commence in April of 2019.

Approximate time line:
Demo (4/1)
Site work (4/15-7/15)
Structure (6/15-10/15)
Construction line / length of project - Target open date approximately 10/15-11/15.

Naples Haitian Church: PL20180002131
5085 Bayshore Drive, Folio 61838760001
Proposed addition- pre-application held July 28, 2018- PL20180002131, No SDP has been submitted as of January 28, 2019.

Naples Classic Car: PL20180001929
3045 Davis Boulevard, Folio 70720240002
Proposed renovations- pre-application held June 21, 2018, PL20180001929, SDP was submitted on January 24, 2019 and is under review.

Sara Bay Marina/ Naples Bay Marina: PL20180001854
3470 Bayshore Drive, Folio 48173280007
New name – Naples Bay Marina. Proposed new building- pre-application held June 13, 2018, PL20180001854, No SDP has been submitted as of January 28, 2019.

Sunbelt: PL20180001840
2560 Davis Boulevard, Folio 61833920105
Proposed new building- pre-application held June 6, 2018, PL20180001840, No SDP has been submitted as of January 28, 2019.

Nicks Restaurant and Hookah Lounge: PL20180002275
3091 Tamiami Trail East, Folio 82640520007
Renovation to existing structure- pre-application held August 2, 2018, PL20180002275, No SDP has been submitted as of January 28, 2019. Proprietor Nicholas (Nick) Matar

Food Truck Parking lot: PL20180002689
2831 Becca Avenue, Folio 81271240003
Proposed parking lot at the corner of Bayshore Dr. and Becca Avenue. Pre-application meeting held September 19, 2018, PL20180002689, plan calls for approximately 65 parking spaces using the entire site. Project was submitted October 29, 2018, documents are under review, second review comments from Collier County Growth Management Department
were issued January 24, 2019.
The CCPC hearing has not been scheduled to date, the planning department anticipate it will be on the May or June Agenda.

Isle of collier:
Project is South end of Bayshore, north of Holly Avenue, Folio 61837880005
The current project is for (earthwork only) should result in a 6-8-month construction period completion date is schedule for week of April 22, 2019.

New contact information-
Michael Elgin – Melgin@mintousa.com
Director of Community Development
MINTO COMMUNITIES - USA
4280 Tamiami Trail E, Ste 203/204, Naples, FL, 34112
T-239-896-1402
C-239-351-6951

Airport/Davis Intersection Improvements:
County project - Both north and south will have a right turn added. CRA staff has requested the project manager attend a future meeting to present the plan. The project is not expected to start until after season.

CRA parking lot:
3321 Bayshore Drive, Folio 71780880003
Staff is presenting along with Trebilcock Consulting Solutions, Naples, FL 34110 the Schematic design plans at the April 2, 2019 CRA meeting.

• RESIDENTIAL ACTIVITIES

Courthouse Shadows: PL20180003659
3290 Tamiami Trail East, Folio 28750000028
Courthouse Shadows has resubmitted for a GMPA (Growth Management Plan Amendment) and a PUDA (planned unit development amendment).
Proposed small scale amendment to the Growth Management Plan to allow a maximum of 300 residential dwelling units within the Courthouse shadows CPUD. The existing box retail buildings will be demolished, the commercial priorities abutting Tamiami Trail East will remain. Application for GMPA (Growth Management Plan Amendment) has been submitted as of 2-11-2019.
Q. Grady Minor will be holding a Neighborhood Information Meeting to discuss the redevelopment of Courthouse Shadows at 3290 Tamiami Trail East, the Meeting is May 7, 2019 5:30 pm – 6:30 pm at the Naples Botanical Garden Buehler Auditorium.

GENERAL PROJECT CONTACT INFORMATION
A. Name of Applicant Mark S. Jenkins-Senior Vice President
Company KRG COURTHOUSE SHADOWS LLC
Address 30 S. Meridian St., Suite 1100
City Indianapolis State IN Zip Code 46204 Phone Number 317-578-5165
B. Name of Agent * D. Wayne Arnold, AICP
• THIS WILL BE THE PERSON CONTACTED FOR ALL BUSINESS RELATED TO THE PETITION.
  Company Q. Grady Minor and Associates, P.A.
  Address 3800 Via Del Rey
  City Bonita Springs State Florida Zip Code 34134

B1. Name of Agent * Richard D. Yovanovich
• THIS WILL BE THE PERSON CONTACTED FOR ALL BUSINESS RELATED TO THE PETITION. Company Coleman, Yovanovich and Koester, P.A.

C. Name of Owner (s) of Record _KRG Courthouse Shadows LLC
  Address 30 S. Meridian St., Suite 1100
  City Indianapolis State IN Zip Code 46204
  Phone Number 317-577-5600

Compass Point:
3040 Thomasson Drive, Folio 52600280003
Compass Point has resubmitted for the final SDP, approving place for 20 units, currently listed for sale at 1.25 million. CRA staff has commented on the plans, one requirement will be that the developer remove the asphalt driveway and replace with 6’-0” concrete.

Meridian Landing:
2801 Thomasson Drive, Folio 61840560008
CRA staff met with Mr. Kevin King and Mr. Greg Wardenberg of Headwaters Development LLLP. The project is in the schematic design phase, the preliminary site plan includes 8 buildings, 4 stories with parking underneath each building. Each building will have 4 units per floor, 16 units per building for a grand total of 128 units. Approximate square footage is 1,500-2,500. This is a for sale market rate product.

Mattamy Homes: PL 20160000183
2765 Thomasson Drive, 61836520007
Construction has started on two building, temporary sales office and construction office has been set up and the south bound turn lane is underway

Note: All projects are submitted, vetted and approved through the Collier County Growth Management Department. All projects are public record and can be researched through the Cityview public portal link.

http://cvportal.collier.net/CityViewWeb/Planning/Locator

Projects can be search by using the property address, folio number or application number which typically starts with a PL number.

</table>

**Notes:**
- The table includes various items, including revenue, operating expenses, capital outlay, transfers, and reserves.
- The values are rounded to the nearest whole number for simplicity.
- The table covers different fiscal categories such as liability, contribution, and transfer.
- The final columns provide total amounts for each category.
