April 12, 2022 Meeting Minutes

Attachment 1- Item 4a

**BAYSHORE/GATEWAY TRIANGLE COMMUNITY REDEVELOPMENT LOCAL ADVISORY
BOARD MINUTES OF THE APRIL 12, 2022 MEETING**

The meeting of the Bayshore/Gateway Triangle Community Redevelopment Advisory Board was called to order by Chairwoman, Karen Beatty at 6:00 p.m.

- I. Roll Call:** Advisory Board Members Present: Al Schantzen, Steve Rigsbee, Mike Sherman, Camille Kielty and Karen Beatty. Maurice Gutierrez and Kathi Kilburn attended virtually. Motion to approve voting privileges by members remotely made by Al Schantzen, seconded Camille Kielty. Motion passed unanimously.

CRA Staff Present: Debrah Forester, CRA Director, Tami Scott, Project Manager and Shirley Garcia, Operations Coordinator.

- II. Pledge of Allegiance:** Led by Karen Beatty.

- III. Adoption of Agenda:** Ms. Forester noted the microphones in the ceiling that picks up all conversation. She requested the following changes - add under 5a. Deputy County Manager Dan Rodriguez attended to update the board, and under Project Manager's report - Bolt Engineering update. She noted the Sheriff's Office was unable to attend the meeting. Steve Main made a motion to accept the agenda as amended, Camille Kielty second. Approved unanimously.

- IV. Approval of Minutes:**

- a. March 9, 2022 Joint Meeting Minutes -Al Schantzen made a motion to approve the minutes as written, Camille Kielty seconded the motion. Approved unanimously.

- V. Community / Business - Presentations**

- a. **Dan Rodriguez, Deputy County Manager:** Mr. Rodriguez noted some updates and progress the CRA Director has been making starting with the FPL agreement for lights in the Sabal Shores Neighborhood, and he is here to assist with getting items passed to the BCC as smooth as possible. He updated the Boardwalk progress and the cost savings of \$250,000 since the staff is working on it and getting input from Growth Management staff.
- b. **Regatta Landings, Turrell, Hall & Associates,** - Joshua Maxwell presented the dock extension amendment request to amend the boat size requirement. He explained that the community would like to have nicer boats with amenities, but the width requirement is so restrictive that would discourage people from buying into their community. The newer boats are wider to accommodate the amenities. The current agreement was for a maximum width of the boat to be 10.5 feet. The proposed modifications were initially per boat slip but after attending the Haldeman Creek MSTU Advisory Committee meeting the recommendation from that board was to make it simple and not allow anything

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

over 13ft. beam width and no slip should stick beyond the pre-approved boat extension line. If someone wanted a longer boat, they would have to buy 2 slips and combine them with that 13 ft. beam width requirement in place. Ms. Beatty had some concerns since the community near Regatta hired an attorney to put those strict rules in place, she is concerned that they have not had a chance to weigh in this discussion and asks for a neighborhood informational meeting so they can have a chance to provide their input on this. Maurice Gutierrez asked if the configuration of the boat lift going to accommodate the wider beams. Mr. Maxwell said it is common for the lifts be replaced to accommodate the weight if the current lift cannot. Steve Main made a motion to support the Regatta Landings request with a recommendation to hold a neighborhood meeting to let the community weigh in, second by Camille Kielty, approved unanimously.

VI. Reports:

- a. **Development Update-** Ms. Forester noted the change of the name of the report to development report instead of private development report so there is no confusion on any county projects that will be in the report. Laura DeJohn, Johnson Engineering provided the updates starting with the Mini Triangle which have two companion items; a PUD amendment and a small scale comp plan amendment. The PUD is composed of 3 lots, lot 1 and 2 which have been approved are requesting some conversion from hotel rooms to multifamily at a 1 to 2 ratio, the commercial at a minimum and maximum conversion, lot 3 will be submitted at a later time. The County staff has reviewed and submitted their comment letter which included comments from Ms. Forester regarding concerns related to assuring the project would continue to be mixed-use. Brookside Marina will be holding another neighborhood informational meeting since the first one had so many technical issues and staff will notify folks when that will be held, the 17 acre boardwalk project has a planning number assigned and will keep that number all the way through construction if anyone wanted to look it up on the county site, Joey D's turning into a car wash had a pre app meeting on March 15, the Circle K on the corner of US41 and Bayshore is doing interior renovations. Ms. Forester noted the Viage Marina was not on the Agenda tonight because there will be a meeting held just with residents on Lakeview and Riverview to discuss the proposed changes prior to presenting to the CRA.

VII. Old Business:

- a. **Branding Immersion Trip-** Ms. Forester reviewed the situation synopsis and the proposed boundary of the two subdistricts. Mike Sherman raised some questions regarding the map and the inclusion of US41 in the Bayshore District given the highway character of the roadway. After discussion, the Board requested staff have the consultants amend the boundary map and include the US41 frontage in the Gateway Triangle district. The Board review the

narratives and raised some general comments and Ms. Forester recommended that each member review and submit their comments on the narratives in one week – April 25. Karen Beatty requested that the draft narratives be sent to all of the people that had been interviewed during the immersion trip to request their feedback. Staff will bring back all of the comments at the next meeting.

- b. **Work Plan 2022/2023-** Ms. Forester provided the work plan for the rest of this fiscal year and FY23 that starts in October. She noted some updates on the handout – 17 Acre site was purchased in 2006. Del's demo is now scheduled for second quarter of 22. Al Schantzen had asked about an agreement with Mintos being required to install some swales on several streets because there is no outfall for stormwater, staff will check on if there was any agreement. Ms. Beatty asked what the plans were for Del's and Ms. Forester said staff will do a highest and best use study. Ms. Beatty asked what the next steps for the 17 acres was, Ms. Forester is working on developing the scope of work focusing on the boardwalk connection. After that is complete, review of the outparcels would be the next step.

VIII. New Business:

- a. **FY22 Quarterly Status Update-** Ms. Forester noted the attached quarterly status update if anyone had any questions about the projects listed.
- b. **Reappointment Application- Karen Beatty-** Steve Main made a motion to reappoint Karen Beatty, second by Camille Kielty approved unanimously.
- c. **Reappointment Application- Al Schantzen-** Karen Beatty made a motion to reappoint Al Schantzen Steve Main second, approved unanimously.
- d. **Reappointment Application- Steve Rigsbee-** Steve Main made a motion to reappoint Mr. Rigsbee second by Camille Kielty, approved unanimously.

IX. Staff Report:

- a. **CRA Directors Report-** Ms. Forester provided the report and asked if anyone has any questions. She noted the sidewalk on Peter's is completed in March and will be removed from the list.
- b. **Project Manager Report-** Ms. Scott provided the updates on her list of projects. Ms. Scott provided an update on the CRA parking lot, the charging station is being worked on and trying to get the EV charging stations donated by FPL they have a new program, the gates are going to be installed but Carter Fence are having staffing issues, so this was delayed. Carter Fence is also scheduled to install the fence under the bridge, but due to changes in staffing, this installation has been delayed.
- c. **Insurance Claims Report:** Ms. Forester provided the current insurance claims report and noted the 2 reimbursements staff has received to date.
- d. **Financial Report:** Ms. Forester provided the current financial if anyone had any questions.

X. Other Agency's:

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

- a. **Collier County Code Enforcement:** Ms. Forester noted the Code enforcement report attached to the agenda packet and introduced John Johnson to answer any questions. Mr. Johnson noted the Viage and Naples Boat Yard Marinas were taken to court and both marina owners signed the stipulation that they recognize they are in violation and will make corrections by the date allowed. Al Schantzen asked Mr. Johnson to share who will be at the next East Naples Task Force Meeting so Mr. Johnson noted that the Homeless Coalition staff will be attending to share information on their program.

XI. Communications and Correspondence:

- a. **Tamiami Trail Business Owner Advisory Board Vacancy-**Ms. Forester noted the vacancy if anyone was interested in applying.
- b. **KCB-Bay Days Clean up-** Ms. Forester provided the KCB clean up photos and thanked everyone who volunteered.
- c. **Foreclosure Assistance Program Article-** Ms. Forester noted the assistance program for covid relief was still open if anyone needed to apply.
- d. **Fertilizer Article – Joann Smallwood-**Ms. Forester noted the organic fertilizer pilot program for the City of Naples article.

XII. Public Comments: Stephen Jaron is grateful the CRA came back to Botanical for the meetings. There was some discussion on Traffic Calming for Lakeview and Mr. Schantzen mentioned the work completed in Sabal Shores and the process the County has to qualify.

XIII. Staff Comments: Ms. Forester noted that the affordable housing committee meets the first Monday of every month at 8:30am if anyone was interested. They are reviewing county lands for opportunities for affordable housing development and noted that CRA properties are on the list. She has mentioned to the Housing staff that disposition of CRA property needs to follow a different process.

XIII. Advisory Board General Communications: Ms. Beatty noted her interest in bringing the organic fertilizer program to Bayshore.

XIV. Next Meeting Date:

- a. May 3, 2022 BCC/CRA/MSTU Joint Workshop 9am
- b. May 10, 2022 @ 6:00pm NBG FGCU Buehler Auditorium

XIV. Adjournment – The meeting adjourned at 8:50 p.m.

May 10, 2022 Meeting Minutes

Attachment 2-Item 4b

**BAYSHORE/GATEWAY TRIANGLE COMMUNITY REDEVELOPMENT LOCAL ADVISORY
BOARD MINUTES OF THE MAY 10, 2022 MEETING**

The meeting of the Bayshore/Gateway Triangle Community Redevelopment Advisory Board was called to order by Chairwoman, Karen Beatty at 6:15 p.m.

- I. **Roll Call:** Advisory Board Members Present: Al Schantzen, Mike Sherman, Camille Kielty, Karen Beatty, Steve Main and Kathi Kilburn. Steve Rigsbee had an excused absence. Maurice Gutierrez joined after the meeting started.
CRA Staff Present: Debrah Forester, CRA Director and Tami Scott, Project Manager.
- II. **Pledge of Allegiance:** Led by Karen Beatty.
- III. **Adoption of Agenda:** Ms. Forester requested to add under 10 e. George Buonocore Public Petition request. Al Schantzen made a motion to accept the agenda as amended, Camille Kielty second. Approved unanimously.
- IV. **Approval of Minutes:**
 - a. Minutes will be presented at the June CRA Meeting.
- V. **Community / Business - Presentations**
 - a. **Dan Rodriguez, Deputy County Manager:** Mr. Rodriguez noted some updates on the CRA projects, and he is here to assist anyway he can. He introduced Cristina Tiberia, Executive Coordinator for Commissioner Taylor. He noted the letter from Commissioner Taylor approving the CRA Advisory Board Meeting be held in the BCC Chambers for all their public meetings so it will be televised. There was a lot of discussion from the board members and the public not in favor of holding the meetings at the BCC Chambers. Most of the concerns shared was the lack of public participation if it was held in the chambers, at the Garden its more localized and easier to access for the community.
 - b. **Mini Triangle MPUD and Growth Management Plan Amendment –** Bob Mulhere provided a presentation on the proposed changes to the Comprehensive Plan and the PUD. He noted that the traffic impact is not changing, there is no more deviations needed for parking requirements. To follow-up on CRA comments regarding the mix of uses, he provided an overview of the commercial development which is estimated at 81 sq ft per residential unit which is substantial and will create a mix of uses. They are removing some of the larger commercial uses such as the cinema and the grocery store, the market has changed since the adoption, the changes will probably reduce traffic. The commercial will primarily be on the first floor. Mike Sherman noted that he appreciated the work being done and the triangle

needs a project that works. Kathi Kilburn made a motion to support the project Camille Kielty second the motion approved unanimously.

- c. **John Mellecky, Arts and Culture Manager-** Mr. Mellecky gave a brief overview of his experience, his first PAC meeting will be held in June at the Collier Museum, he is setting up the foundation and bylaws and looking at processes from the Florida Association of Public Art. Based on what he has researched to date, having a process is very important and the public must support the art selected. He will be attending conferences to get a variety of examples, but community input is vital, and a process must be in place. Process should include referral of artists and qualifications and we need to respect artist's time and pay the artist for the time. He is looking at mural programs from other states. Philadelphia has over 400 murals. He also mentioned Sarasota's temporary exhibit of murals presented on tripods. The Cultural Strategic Plan the County adopted is the foundation to promote arts and culture throughout the community. Next, he needs to look at the funding source and the maintenance plan to keep the art maintained especially in the Florida weather. Ms. Beatty asked about the PAC members and the opportunity to have Bayshore CRA present at one of the PAC meetings. He noted that the first few meetings will be organizational but once they get established that could happen. Camille Kielty asked who he reports to and if Bayshore could be a test model. Mr. Mellecky reports to Paul Beirnes, Director of Tourism. Kathi Kilburn thinks the 17acre vision is an asset to have for the arts, Karen Beatty noted it should be an art compound, or catalyst project for the people no more housing on the site. She asked if he would let the board know when the public art committee notices go out.

VI. Reports:

- a. **Development Report Update-** Laura DeJohn, Johnson Engineering provided current updates to the new and existing developments via Zoom. The Naples Boat Yard variance submittal is not complete additional information is needed. Viage Marina had a pre-app scheduled but then cancelled it, no changes on Brookside Marina, the old Long John Silver property is going to be a Women's Care Center, Arbutus vacant lot is proposing to build town homes- 8 units in total.

VII. Old Business:

- a. **Branding -** Ms. Forester noted the attached revised geographical map and Narrative comments from everyone that provided input.
 - i. Revised Geographical Map- Everyone agreed on 2 separate areas and Mike Sherman made a motion to approve the revised geographical map. Kathi Kilburn seconded it and it passed unanimously.
 - ii. Narratives- Jerry Starkey noted it should be an extension of 5th Ave not US41. Karen Beatty recognized all the additional comments received and it should give the consultants good feedback to consider. She noted the uniqueness of area and noted there is so

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

much to do within the community, yoga, coffee shop, golf course, boating. Camille Kielty asked about the shelf-life of the brand and recognizes this is a strategic effort that will set the tone and be able to evolve over time. Ms. Forester stated it should be viewed probably every 5 years. Ms. Forester will send the narrative comments to the consultants along with the comments from tonight's meeting. The consultants will then review and send revised narratives. (Maurice Gutierrez joined the meeting during this discussion)

VIII. New Business: No New Business

IX. Staff Report:

- a. **CRA Directors Report-** Ms. Forester provided the report and asked if anyone has any questions. Ms. Forester noted that the 71 acres at the end of south Bayshore Drive that was on Conservation Collier list to purchase was withdrawn by the owner of the property. That parcel will no be purchased at this time.
- b. **Project Manager Report-** Ms. Scott provided the updates on her list of projects. If anyone had any questions.
- c. **Insurance Claims Report:** Ms. Forester provided the current insurance claims report and noted the 2 reimbursements staff has received to date.
- d. **Financial Report:** Ms. Forester provided the current financial if anyone had any questions.

X. Other Agency's:

- a. **Collier County Code Enforcement:** Ms. Forester noted the Code enforcement report attached to the agenda packet and introduced John Johnson to answer any questions. Mr. Johnson reported on the Viage Marina boat yard case and noted the owners are working on the SDP to address the violations. Mr. Johnson is also working in the Gateway Triangle area. He noted the homeless coalition will attend the next East Naples Task Force if anyone was interested in attending,

XI. Communications and Correspondence:

- a. **Tamiami Trail Business Owner Advisory Board Vacancy-**Ms. Forester noted the vacancy if anyone was interested in applying.
- b. **Cape Coral says goodbye to boring utility boxes article-** Ms. Forester provided the article about the murals on utility boxes in Cape Coral.
- c. **USA today- Top 10 places to eat-** Ms. Forester noted the Food Truck was one of the top 10 places to eat.

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

- d. **Jeanne Harvey Dedication**-Ms. Forester noted the flyer for Jeanne Harveys dedication on May 13th at 3:30pm at the CRA parking lot and encourages everyone to attend.
- e. **George Buonocore Public Petition May 24**- Karen Beatty understands no benches and there should be a balance to try and support him.

XII. Public Comments: Tish Dawson shared some concerns on her street with drug activity and she has called the non-emergency number to report it. There are needles on the street and suspicious activity going on. Kris LeClair thanked the advisory board and staff regarding the improvements in the neighborhood and how she feels safe walking her dog. Ms. Forester will bring those items up at the Community Task Force meeting. And reminded everyone to use the non-emergency number 252-9300.

XIII. Staff Comments:

XIV. Advisory Board General Communications: Karen Beatty had asked the staff to make contact and setup the workshop with the FRA for training. Discussion took place regarding the location of the meetings and the community's desire to remain meeting at the Naples Botanical Gardens. Al Schantzen would like the limited road maintenance added to the project list.

XV. Next Meeting Date:

- a. June 13, 2022 @ 6:00pm Location TBD

XIII. Adjournment – The meeting adjourned at 8:50 p.m.

Chairwoman, Karen Beatty

The Quantum Growth[®] Series

Beneficial Soil and Plant Microbial Inoculants

Aaron Sane
Dir. Crop Agriculture

© 2022 Ecological Laboratories, Inc.

Company Overview: Ecological Laboratories (ELI)

- ▶ 46 Years developing biologicals for crop agriculture, manure mgt, and aquatic uses
- ▶ Developing and Refining Crop Ag solutions intensely over last 10 years
- ▶ Headquarters: Cape Coral, Florida USA
- ▶ Employees: 70
- ▶ 2021 Revenue: \$10M - \$20M
- ▶ Primary End Markets:
 - ▶ Crop Agriculture, Turf
 - ▶ Hydroponics / Cannabis
 - ▶ Wastewater and Septic
 - ▶ Koi Pond, Aquarium
- ▶ Growth Markets for ELI:
 - ▶ Aquaculture
 - ▶ Open Water Remediation and Ecosystem Restoration

Sales
by Region

ELI Technology Introduction

Novel Ecosystem in a “bottle”

- ▶ Multistage fermentation process
- ▶ Vegetative (activates upon contact w/oxygen, nutrients)
- ▶ 14 key strains; function in aerobic and anerobic conditions
- ▶ Photosynthetic, N-fixers, P-solubilizers and other solubilization
- ▶ Shelf stable 3 years (samples @ 10 years+)

Quantum Growth Primary Benefits

1. Improve Plant Photosynthesis
2. Improve Nutrient Availability & Transfer
3. Enhance/Restore Soil Biology

Improved Nutrient Availability and Uptake

March (prior to treatment)

July (4 single gal monthly treatments thru irrigation)

- Improved root structure
- Increased shoot growth
- Improved plant health
- Increased yield

Enhance/Restore Soil Biology

Benefits of Balanced Biology

- Nutrient cycling
- Nutrient retention
- Improved soil structure, infiltration and water-holding capacity
- Disease suppression
- Degradation of pollutants
- Biodiversity

Food Web Challenges

- Physical disruption (tilling, plowing, etc.)
- Chemical disruption (pesticides, pH, etc.)
- Monoculture

Field Data Summary: 73% Economically Positive Result, Emerging reduced rate Nitrogen story (due to 6 N fixing strains) - Removed Top 4

Table of Contents

<u>Slide(s)</u>	<u>Trial</u>	<u>Result(s)</u>
31-35	FL Fresh Tomato Trial w/multiple QG treatment protocols including 50% fertilizer (16% increase)	yield inc. 6-30%
36	CA Processing Tomato Trial w/multiple QG Organic treatment timings	yield inc. 3-21%
37	CA Bell Pepper Trial w/multiple QG Organic treatment timing	yield inc. 2-71%
38-39	Leaderbrand NZ Lettuce Trial w/multiple QG treatment protocols	yield inc. 5-16%
40	NC Irrigated Soybean	yield inc. 4.6 bu
41	NC Irrigated Corn	yield inc. 4.8 bu
42	NM Organic Peanut Trial with NMSU	yield inc. 15%
43-44	FL Fertilizer Blackout Turf Trial	qualitative success
45	CA Reduced NH ₃ Cotton Trial	yield inc. 7% w/NH ₃ reduction of 64%

Fertilizer Blackout Trial

Trial Purpose

Evaluate 3 monthly Quantum applications (no added fert. prior to or during the trial period) vs IFAS std fert. program (applied on Day 0) and an untreated control.

- Floratam and Tifway turfgrass
- 4 replications per treatment

Results

Turfgrass Quality as Influenced by Fertilizer Treatment in 2020

1-9 scale; 1=dead turf;
6=acceptable; 9=excellent turf

Products

Available Container Size & SRP: 1-gal, 2.5-gal, 30-gal, 55-gal & 275-gal bulk tote

App Rates & Timings (1,000 ft²)

Initial App: 8 oz

Maintenance App (30-90 days): 4 oz

Organic Products - OMRI Certified

Available Container Size & SRP: 1-gal, 2.5-gal, 30-gal, 55-gal & 275-gal bulk tote

Re: Ecological Laboratories – Quantum Growth Series

GENERAL INFORMATION:

Organic Fertilizers (Ecological Laboratories products) were discussed at the BCC Workshop on May 3, 2022, as part of the Bayshore Gateway Triangle CRA Open Discussion. Ecological Laboratories product claims to improve the efficiency of available nutrients, including fixing atmospheric nitrogen and solubilizing certain elements bound in the soil, such as P, K, Ca, Mn, Mg, Zn, and Fe. Most Ecological Laboratories' products don't contain essential N-P-K (Nitrogen-Phosphorus-Potassium) elements. Instead, the product includes bacteria. The active ingredient in Ecological Laboratories products is live bacteria and humic acid; it is not a fertilizer.

PROS:

- Local pilot projects initiated this year with the City of Naples include Baker Park and medians in the Park Shore neighborhood. Their success has prompted enough interest to promote their product to local governments.
- **Hamutahl Cohen Ph.D., IFAS:** Searched for research on microbes and plant performance, not necessarily UF work, and found almost nothing about microbial drenches and products. A Turkish group showed that using *Bacillus* (in some Quantum products) enhances turfgrass performance and could replace nitrogen fertilizer.
 - There may be little harm in trying the product in addition to fertilizer, in addition to less fertilizer, or instead of fertilizer. The product shouldn't contribute to nutrient runoff or pollution, based on what is listed as the active ingredients.

CONS:

- **Hamutahl Cohen Ph.D., IFAS:** It is a new product. Without published evidence from independent parties. IFAS (UF) has no product testing to confirm the Testimonial. It is a new product. IFAS does not have much to review without published testing evidence from independent parties.
- The Naples Botanical Garden is not familiar with Ecological Laboratories' products.
- IFAS contacted UF Turfgrass, and they didn't know about the study. It doesn't mean it didn't happen, and it could mean it's not available to the scientific community yet.
- **Hamutahl Cohen Ph.D., IFAS:** Most of their products don't contain essential elements such as NPK. Instead, they have bacteria.
 - For example, their "Quantum Light" and "Quantum Light Organic" products contain a bacteria called *Rhodopseudomonas palustris*. This bacteria is associated with soil, worm castings, and pond water. It can degrade plant and animal matter and fix nitrogen. While naturally occurring *R. palustris* is a beneficial bacteria,

you can think of using this product as akin to probiotics sold in the store. Some people claim they work wonders, but others say they do nothing, and most likely, they don't cause too much harm. This product is just probiotics for the soil.

- The active ingredient in Ecological Laboratories products is live bacteria, so tank mixing with specific chemistries can be toxic to cultures.
- Median Soils are low in Organics (4%), and County mulch has coarser pieces, so it does not break down quickly. We do not specify fine mulch to prevent median fires and last longer. The bacteria will increase the breakdown of organics and mulch, increasing the frequency of mulching.
- Palm macronutrients are needed for palm health and are not contained in the Quantum Series.

COUNTY DEPARTMENT SURVEY:

- Facilities, Median, and MSTU Landscaping utilize 8-0-12 or 8-2-12 within minors with 90 to 180 slow release at an application rate recommended by IFAS and UF. For medians, the fertilizer is applied every 180 days or 6 months cutting down the labor costs and time in roadway. The Parks & Recreation budget is limited, and they don't have the budget to fertilize the common grounds. A variety of fertilizers address the ballfields and various turfs.
- MSTU Concerns: No landscape vendor solely uses organics. Vendors test other organic products. One is incorporating Anuvia, an organic product, into some blends. One is testing En-Soil Algae made by Enlightened Soil, which claimed to reduce the amount of fertilization required. No vendor indicated opposition to organics.
 - "Much higher" cost.
 - Ecological Lab Response: \$25 per gallon in 1-, 2.5- and 5-gal sizes. Bulk pricing (e.g., 55-gal drums and 275-gal bulk totes) is \$20 per gallon.
 - Application Rates:
 - Turf:
 - Installation of Turf: 2 gallons/acre
 - Maintenance of Turf: 1 gallon/acre every 30-90 days
 - Landscape Beds:
 - 4 oz/1000 sf every 30-60 days.
 - Example: Rattlesnake Hammock Road (US 41 East to Santa Barbara Boulevard) Mixture of Turf and Landscape Beds
 - Turf: 34,072 SF- .782 gallons/Acre (\$300 to \$150 for product)
 - Landscape Beds: 97,752 SF or 3.05 gallons/SF (\$916.42 to \$458.21 for product)
 - Limited commercial availability.
 - Ecological Lab Response: Ecological Laboratories could supply directly as a local manufacturer.
 - Stench (if from compost).
 - May lack macronutrients.
 - Ecological Lab Response: The product lacks macronutrients.

CITY OF NAPLES FERTILIZER ORDINANCE (2019):

- There is a City of Naples Fertilizer Ordinance but not an "Organic Fertilizer Ordinance" only pilot projects where Ecological Laboratories, Quantum Series products are used.

- No fertilizer containing nitrogen or phosphorus may be applied in the City of Naples from June 1 through September 30. Nitrogen-containing fertilizer cannot be applied before seeding or sodding or for the first 30 days after seeding or sodding.
- **City of Naples Utilities Website:** Although nutrients such as Nitrogen and Phosphorous are reduced in the treatment process, specific amounts of these nutrients remain in the reclaimed water. The City's reclaimed water provides 10% of the total Nitrogen needs of typical South Florida landscaping. The reclaimed water also provides 100% of the Phosphorous requirements for standard turf grass, so there's no need to add more.
- **City of Naples online Fertilizer Calculator:** Collier County Landscape Beautification Master Plan Median Landscaping consists of 61 miles of irrigation reuse water and 61 miles of potable water. When utilizing the City of Naples fertilizer calculator for 8-0-12 (slow release), County specified fertilizer, Collier County medians use 7.8 times less fertilizer than allowable, and there is no Phosphorus in the blend.

**Utilizing City of Naples online fertilizer calculator

FOLLOW-UP FIELD MEETING:

Aaron Sane, Ecological Laboratories, is organizing a field meeting where Collier County, City of Naples, and Ecological Laboratories will review the Park Shore Pilot Project—tentatively scheduled for May 24, 2022, at 3:00 pm.

June 2022 Development Update

Promenade at the Boat Yard Rezone: PL20210000020

Location: 2736, 2754, and 2772 Bayview Drive

Status: Status: NIM held May 11, 2021. Fourth applicant submittal on 12/23/2021. Staff issued fifth comment letter on 2/3/2022.

The subject properties are currently zoned RSF-4-BMUD-R4 and are proposed to be rezoned to RSF-4-BMUD-NC (neighborhood commercial) to construct a 3-story building with ground level parking, second floor of retail, and 3rd floor residential along the south side of Bayview Drive.

Naples Boat Yard Variance: PL20200000007

Location: 2775 Bayview Drive

Status: Originally a PUD Rezone, applicants have changed the request to a Variance. NIM meeting held May 11, 2021. Staff issued fourth comment review letter on 2/3/2022. County Planner Nancy Gundlach advised by email on 4/29/2022 that the applicant will resubmit with additional variance requests.

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

The applicant is proposing a complete site renovation to construct a boat storage facility along the north side of Bayview Dr. This petition requests a variance from the 20-foot rear yard waterfront setback to allow for a building to be 10 feet from the waterfront, and for a small office on the NE corner of the site to be setback back 0 feet from the waterfront.

Promenade at the Boat Yard Rezone: PL20210000021 (withdrawn)

Location: 2707 Bayview Drive

Status: Second applicant submittal on 7/29/2021. Staff comment letter issued on 9/7/2021. Applicant requested withdraw on 2/16/2022.

This property is currently zoned RSF-4-BMUD-R4 and is proposed to be rezoned to RSF-4-BMUD-W in order to create the necessary space for an outdoor boating storage rack, as part of the boatyard.

Viage Bayshore Marina LDCA: PL20220002540*

Location: 3470 Bayshore Dr.

Owner: Viage Marinas LLC

Status: Pre-application meeting requested 3/29/2022 – **REQUEST CANCELLED**

Land Development Code Amendment (LDCA) to permit boat and trailer parking/storage within the Accessory Parking Zone, within the Bayshore Overlay, associated with a marina under a unified development plan. This request is site specific.

Viage Bayshore Marina (DR): PL20220000558

Owner: Viage Marinas LLC

Status: Pre-application meeting held 2/7/2022

Request includes deviations to required screening of the on-site boat racks (for dry boat storage), to permit the existing chain link fence along the ROWs with additional landscaping and/or slats, to permit a reduction in the landscape buffer width along Bayshore Drive, and to permit boat parking/storage within the Accessory Parking Zone area of the site.

Mini-Triangle MPUD (PUDA): PL20210001100*

Location: 1991 and 1911 Tamiami Trail; 2000 and 2054 Davis Blvd.

Owner: Metropolitan Naples LLC

Status: Pre-application meeting held 6/9/2021. **Second applicant submittal on 05/09/2022.**

NIM held on 05/28/2022.

Amend Mini Triangle Mixed Use Subdistrict [companion item Mini-Triangle Small Scale GMPA (PL-20210001101)] to allow for the conversion of hotel units to multifamily residential units (a sliding scale of a max of 377-491sf MF to 0-228sf hotel rooms) and to amend the min./max. retail and office square footage for a combined minimum of 40k and max 130k, with a min of 15k reserved for office. Applicant must also include 2 different commercial or office uses in the project office/retail and a maximum of 130,000 SF of commercial/office/retail.

GATEWAY MINI TRIANGLE M-PUD SITE PLAN CONCEPT

Mini-Triangle (Small Scale GMPA): PL20210001101*

Location: 1991 and 1911 Tamiami Trail; 2000 and 2054 Davis Blvd.

Owner: Metropolitan Naples LLC

Status: Pre-application meeting held 6/9/2021. **Second applicant submittal on 05/09/2022.**

NIM held on 05/28/2022.

Amend the Mini-Triangle MPUD-GTMUD-MXD (Ordinance 2018-025) and companion item Mini-Triangle Mixed Use Subdistrict to allow for the conversion of hotel units to multifamily residential units (sliding scale 1:2 ratio for max MF/Hotel uses) and to amend the min./max. retail and office square footage for a combined minimum of 40k and max 130k, with a min of 15k reserved for office. Applicant must also include 2 different commercial or office uses in the project office/retail and a maximum of 130,000 SF of commercial/office/retail. The change is to allow for 1 additional multifamily unit above the 377 units (up to 491 total dwelling units) for every 2 hotel rooms removed from the 228-room maximum.

Brookside Marina Rezone: PL20190001540

Location: 2015 and 2025 Davis Blvd.

Status: Incomplete submittal 3 letter issued on 12/14/21. NIM held on 01/06/2022. 2nd NIM to be scheduled, agent advised that no date is set as of 4/29/22.

Rezone of the submerged lands only from RSF-4 to C-4. Notwithstanding the straight C-4 zoning and to ensure GMP consistency, the permitted uses for the submerged lands will be limited to water-related or water-dependent uses associated with a marina. Uses include wet boat slips (with or without lifts/davits), boat lift canopies, boat ramps (one ramp exists already), small recreational boat rentals, operation of charter or party fishing boats, canoe/kayak/rowboat rentals, houseboat rentals, and tourist guide boat operations. Jet ski rentals are excluded, but requesting ability to rent a wet slip to a private jet ski owner. Live-aboard vessels also excluded.

Development Review Petitions

Porsche Naples Expansion SDPA: PL20220003796*

Location: 3147 Davis Blvd.

Owner: TT of Tamiami, Inc.

Status: Pre-application meeting requested on 5/16/2022.

Request for expansion for existing Porsche Naples dealership to add three new detail bays located adjacent to existing bays. New bays will be partially under the parking structure on-site as well as extending into the exist landscaping island and parking located south of the structure. Displaced landscaping will be replaced at the new south extent of the building. Existing ADS stormwater pipes under asphalt in the vicinity of the proposed expansion will be removed and replaced elsewhere on site. Project will not result in additional impervious area or loss of landscaping.

Porsche of Naples – Battery Enclosure Addition SDPI: PL20220003172*

Location: 1497 Airport Rd S.

Owner: TT of Tamiami Inc

Status: First applicant submittal on 4/14/2022. **First staff review letter issued on 05/12/2022.**

Applicant is requesting an SDP Insubstantial Change for addition of a battery enclosure that has been mandated by Porsche Corporate to be installed at every Porsche dealership. The battery enclosure is being proposed in the rear of the building where there is currently a landscape island. In addition, the dealership is proposing a fenced-in used tire storage area next to the battery enclosure to prevent tire theft.

Applicant proposes lot split to sell the western 50 foot section of the property. Current total property size is 165 x 135 ft.

Naples Boat Yard Site Improvement Plan (SIP): PL20210000148

Location: 2775 Bayview Dr.

Status: First GMD Review Letter sent out on 4/13/2021. Applicant resubmittal on 9/08/2021. Staff comment letter issued 11/01/2021.

The Naples Boat Yard is proposing to renovate the concrete dock to accommodate their traveling boat lift.

The 239 Bayshore & Areca Hotel/Restaurant SDP: PL20210001360

Location: 3467 Bayshore Drive

Status: Pre-application meeting held on 6/16/2021. First applicant submittal on 11/30/2021. Staff issued comment letter on 12/30/2021.

At the pre-application meeting applicant proposed a three story mixed-use with commercial, destination resort, distillery, and restaurant uses on the first floor and lodging on the second and third floors. The proposed vehicular access to the site will be provided from Areca Avenue. Alcohol Distance Waiver required if sale of alcoholic beverage for on-site consumption.

First submittal proposes a new three (3) story building (6,300 S.F.), a parking lot, and associated site improvements. The first floor will include a covered outdoor dining area, restaurant, two offices, and retail stores. The second and third floors will be hotel rooms (8 total) and the roof (terrace) will include a pool and bar. 22 parking spaces total proposed.

Francis Shadowlawn Properties, LLC (Annis Landing) FP: PL20210002023

Location: 1948 Shadowlawn Dr

Status: Pre-application meeting held on 9/7/2021; Incomplete submittal letter issued by staff on 11/24/21. Applicant submittal on 11/24/2021. Staff issued comment letter on 12/23/2021.

Request for a minor sub-division plat to put up a shed with no electric and no plumbing.

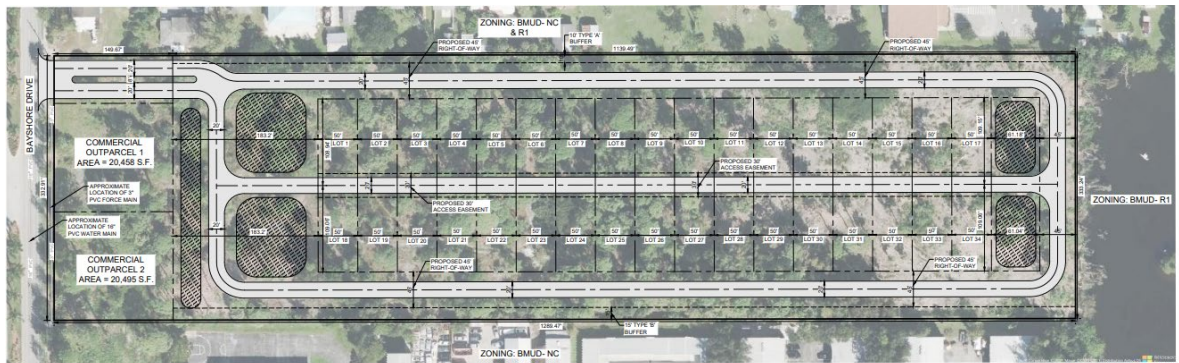

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

**Bayshore Mixed Use
Development PPL:
PL20210002947**

Location: Parcel 61841080008
(east of Bayshore Drive and
north of Van Buren Ave)
Status: Pre-application meeting
held on 12/7/21.

Pre-app meeting for a mixed use development with commercial in the front and single family residential in the rest of the lot. The commercial section is divided into two outparcels and 34 lots are proposed for the residential.

Approved Projects

Metropolitan Naples - Lot 1 Mixed Use Development SDP: PL20200002428

Location: Mini Triangle, 2000 & 2054 Davis Blvd.

Status: SDP Approval issued 1/13/22.

SDP for a 9-story residential tower over a 6-story podium that will contain 270 multi-family units, parking and approximately 7,600 sf of commercial uses within Lot 1. All access, drainage, and utility connections for the 1.57ac Lot 1 were previously designed and approved under the Metropolitan Naples PL20200001193. This SDP details the driveway, sidewalk, utility service, downspout, and yard drain connections from the building to the ROW.

Metropolitan Naples Lot 1 SDPI: PL20220003365*

Location: Davis Blvd.

Owner: Metropolitan Naples LLC Suite 106

Status: First applicant submittal on 4/25/2022. **SDPI approved on 5/11/2022.**

This is an Insubstantial Change (SDPI) to SDP 20200002428. This SDPI is to replace the previously approved 2 grease traps with one Schier GB-1000 Grease interceptor, which does not require a solids interceptor. An approved Utility Deviation for this is included. The EOPC changed accordingly. The net change is that there is a decrease in the Sewage Collection cost. Therefore, no review and inspection fees are due for the work items. Fees will be paid for SDPI review based on the number of sheets and the fire flow review.

Naples Classic Car Site Plan with Deviation (DR): PL20210002480*

Location: 3045 Davis Blvd.

Status: Pre-application meeting held on 11/3/21. Applicant second submittal on 1/31/2022. Hearing Examiner hearing held on 4/14/2022 **(Approval issued on 5/12/22).**

Applicant proposes to rebuild an existing structure to improve the safety and function of the site. Due to the placement of the existing building on the East property line with no setback, a deviation for redevelopment is required.

Windstar of Naples Bay Clubhouse SDPA: PL20210001972

Location: 1700 Windstar Blvd

Status: Pre-application meeting on 9/14/2021. Third applicant submittal on 02/09/2022.
Staff approval letter issued on 2/11/2022.

The request is for a clubhouse expansion, cart barn expansion, addition of (2) Bocce Ball Courts, (23) golf cart parking spaces, and associated infrastructure improvements.

Windstar of Naples Bay Clubhouse Expansion APR: PL20210002095

Location: 1700 Windstar Blvd

Status: Third applicant submittal on 01/31/2022. Staff issued approval on 02/07/2022.

Administrative Parking Reduction request for proposed improvements which require 291 parking spaces, per LDC 4.05.04. An APR is requested to allow use of the existing 203 parking spaces, in conjunction with 20 private golf cart spaces, and 48 bicycle parking spaces; a reduction of 88 vehicular parking spaces. This is an additional reduction of 43 spaces from the previously approved APR.

Naples Botanical Garden Horticultural Campus SDPA: PL20190002586

Location: 4820 Bayshore Drive

Status: Pre-application meeting held on 12/18/19. Staff approval letter issued on 2/24/2022.

The purpose of this application is to modify and expand the previously permitted grow house and recycle center to include the new horticultural center. The complex consists of a new horticultural maintenance office and shop, several horticultural buildings (a.k.a. green houses) and open-air structures, RO/emergency generator building, sun nursery and supporting private access roads, parking areas, utilities, drainage facilities, dry pre-treatment water quality areas and code landscaping. The Project also includes a new turn lane, which will connect to the existing project entrance, and utility improvements within the Bayshore Drive public right-of-way.

Courthouse Shadows Apartments SDPA: PL20210001899

Location: 3290 Tamiami Trail E

Status: Applicant second submittal on 12/20/2021. Staff approval issued on 2/17/2022.

The proposed development will consist of a 300-unit multi-family residential community with 5 residential buildings, a clubhouse that is incorporated in Building #1, detached garages, a trash compactor building, a maintenance building, a pool amenity area, and an outdoor covered lounge and pool bathroom that is incorporated in Building #6. This application is proposing to change location of Garage #7 and subsequently revise the grading and drainage infrastructure necessary with this change.

St. Matthew's House PUD to PUD Rezoning (PUDR): PL20210000176

Location: 2001 Airport Rd S.

Status: NIM held 8/11/2021. Third submittal approved by staff on 10/21/2021. CCPC voted 3-2 to recommend approval on 12/16/2021; BCC approved 5-0 on 01/25/2022 with

conditions to add security camera to rear of property and exchange contact information between applicant and neighboring apartment complex to discuss any future trespassing issues.

Amendment the existing Devoe Pontiac CPUD to expand the PUD boundary to the north and south and change the name of the PUD to St. Matthew's House Commercial Planned Unit Development (CPUD). The rezone proposes to increase the number of homeless shelter beds from 104 to 150, and request 130,000 square feet of general commercial, office, social service, and warehouse uses.

2605 Linda Dr (AVA): PL20220000220

Location: 2065 Linda Drive

Status: Applicant first submittal on 1/11/2022. Staff issued Administrative Variance approval Letter on 2/8/2022.

Applicant requests a variance for minor-after-the-fact yard encroachment for a screen enclosure that is 0.4 Feet into the 10' rear setback, at subject property 2605 Linda Dr.

Rehabilitation Plans for Pump Station 308.06 (SDPI): PL20210003085

Location: 2850 Terrance Ave

Status: Staff issued comment review letter on 12/10/2021. Applicant second submittal on 2/8/2022. Staff issued approval letter on 3/2/2022.

Rehabilitation of Collier County Duplex Pump Station 308.06, including the removal of the existing valve vault, wet well rehab, new pumps, new wet well top, new discharge piping, new control panel, FDOT gravity wall and new antenna. Also included will be improvements to a portion of the pump station site including a new fence, new concrete driveway, stabilized access and gravel ground cover.

PARADISE

CCT-0357 BGTCRA Narratives

Bayshore Arts District Narrative (138 words)

Nestled along the Eastern shore of Naples Bay just outside Naples' luxurious 5th Avenue, you'll find a one-of-a-kind community with a one-of-a-kind personality -- the perfect complement to Naples' more traditional side. Contemporary in places, quaint in others, this walkable urban village teems with local flavor and expression. Here, unique shops reward curious browsers with jewelry, art, gifts and more. A hip microbrewery and upscale wine club bring people of all ages and interests together. A lively waterfront park plays host to incredible food trucks, live music and events. Easy access to the Gulf offers endless ways to enjoy a day on the water. And a world-class botanical garden transports you to a world of breathtaking natural beauty. Welcome to the Bayshore Arts District. And welcome to an ever-evolving community that celebrates creativity in all its many forms.

Consultants Comments regarding Gateway Triangle:

Most of the comments to the Gateway triangle narrative asked to change "Gateway Triangle" to "Metropolitan Naples." We decided to not do that. While we at Paradise have a gut feeling that the name might be -- or even should be -- Metropolitan Naples, we think we have the opportunity to explore additional options. But for now, we do believe the narrative should continue to utilize the name "Gateway Triangle" until we settle on a new name. The narrative can obviously be changed after that happens.

Gateway Triangle Narrative (122 words)

Something big is happening at the intersection of Davis Boulevard and Fifth Avenue South. A sophisticated new community is literally rising from an empty lot -- leading the renaissance of once invisible section of our beautiful town. Here, a luxury development known as Metropolitan Naples will lead the rebirth of an area previously known as the Gateway Triangle. Next to downtown and close to the beach, this changing neighborhood represents what's next for Naples -- a vibrant, dynamic community that will appeal to virtually every age and interest with each new storefront, restaurant, apartment and offering. What was once defined by three sides of a triangle will soon define a thrilling *new* side of Naples -- so get ready to be a part of it!

RE: CRA Gateway Area 1 Pine Becca Weeks Stormwater Improvements
Collier County Project No. 50203.1
Final Site Assessment Summary Letter

Mr. Orth-

As a follow-up to our meeting in March to review the Draft Site Assessment, Blot Engineering Inc. (BEI) has now completed the Site Assessment phase work for the above project. Please accept this final Site Assessment Summary Letter with supporting documents as our deliverable to the County for this task.

Site Assessment Scope of Work

BEI's scope of work for the Site Assessment phase of the project included the following activities:

1. Perform Utility Locate work in advance of Survey field work commencing.
2. Perform Survey field work and provide Specific Purpose Survey drawings of the project area.
3. Review previous stormwater infrastructure reports and record drawings for the existing water, wastewater, roadways, and drainage systems as provided by the County.
4. Perform field investigations, and gathered data to further assess the project boundaries.
5. Perform limited stormwater modeling to assess basic flows of existing conditions along street storm swales for the purpose of confirming if existing storm piping size is adequate, or justifying the need for larger size storm piping.
6. Provide consultation meeting with COUNTY to discuss site assessment and anticipated general design strategy for stormwater improvements.
7. Provide final Site Assessment Summary Letter outlining findings.

Existing Conditions Narrative

The drainage area for the project is approximately 40.0 Acres mainly consisting of residential lots (see Image 1 for Project Area). The site stormwater generally flows from the North to the South. Ground elevations are approximately 5.00 feet NAVD at the North project limits, and approximately 2.0 feet NAVD at the South project limits. To the South, stormwater discharges into manmade waterways that are connected to Haldeman Creek which is tidal. There are currently 5 locations where the roadside swale along Becca Avenue freely discharges into the canals via small swales. Becca Avenue is very low lying, the crown of road at approximately 2.00 feet to 2.50 feet NAVD. This area is tidally influenced by Haldeman Creek. Haldeman Creek has a mean high tide elevation of 2.50 to 3.00 feet NAVD in this area (high tide elevations were obtained from the Tertiary stormwater system improvement plan for Bayshore MSTU area by Grady Minor & Associates). Thus, under occasional high tides, parts of Becca Avenue may become submerged. A neighboring homeowner has indicated flooding in this area. This localized flooding could last 1 to 2 hours and occurs during high tide. The rest of the subdivision has minimal to no swale capacity causing localized flooding of several areas.

Limited stormwater modeling of the project limits was performed to assess basic flows of existing conditions and to reflect where there is stormwater blockage. A 10-yr/72-hr storm event was modeled as the basis of evaluation. Exhibit A includes stormwater model node conditions. Exhibit B includes the following Site Assessment drawings:

- Drawing SA100: Existing Basin Map of the project area
- Drawing SA 101: Existing Sub-Basin Map of the project area
- Drawing SA 102: Existing Sub-Basin Blockage Map showing areas of flooding
- Drawing SA 103: Drainage Improvements showing proposed changes

CRA Bayshore Gateway Triangle Pine St, Becca Ave., & Weeks Ave. Project Area

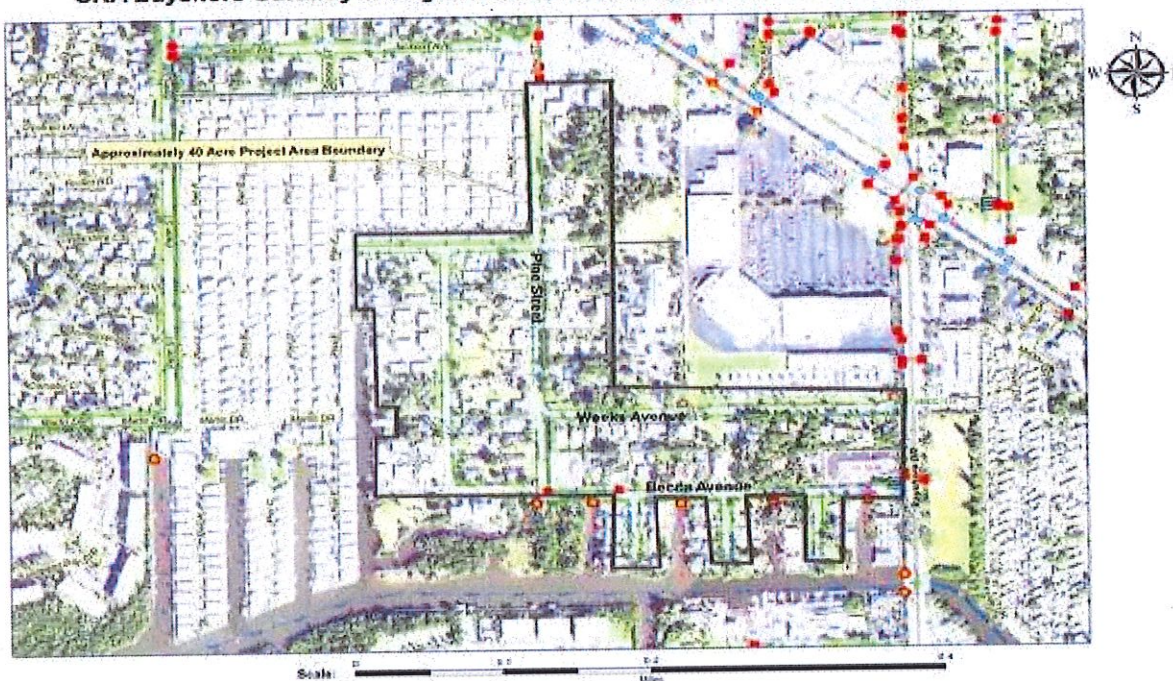

IMAGE 1: Project Area

Recommendations

After completion of field assessments and data gathering, Blot Engineering recommends the following improvements be made to better manage stormwater across the project area. The improvements are outlined below, and are generally shown on Drawing SA103.

1. Regrade / create grass swale on each side of Pine Street from the Northern limits to Mangrove Street. Extend the existing storm pipe at the East side of pine (North end near the new storage warehouse) southward to the unplatted right of way.
2. At the intersection of Pine/Mangrove, construct cross connect pipes across the North and West sides of the intersection. Continuing West on Mangrove Street, create swales on each side of Mangrove Street with drainage pipe across Arbutus Street.
3. At the West end turn of Mangrove Street, connect the North & South swales and install new drainage pipe on the East side of Mangrove Street heading south. There is an existing outfall pipe through the seawall that is available for tie-in. Consider installing a backflow device at the seawall discharge. Construct a swale along the West side of Mangrove Street, with a possible detention area at South end of Mangrove Street.
4. Arbutus Street has minimal swale capacity and is blocked at numerous locations. Regrade swales where possible and install new drainage pipes at blockage areas. This road drains to the South but has no outfall (water reaches Becca Avenue and flows over the road). At the South end of Arbutus, recommend piping under Arbutus Street East towards Pine Street. Then at the intersection of Becca/Pine, construct new pipe under Becca Avenue to the South and install new structure w/ outfall to the canal with backflow device at the South end of Pine Street.
5. There is an existing Utility Easement running East/ West from Mangrove Street canal to Pine Street. If this could be converted to a D.U.E. (or obtaining a "no exception" from UE), then suggest possible pipe from Pine Street to the canal. At the canal, modify a section of the seawall and install outfall pipe with backflow device. NOTE: The section of this pipe from Pine Street to Arbutus Street is questionable due to close proximity to homes; and will need further evaluation during detailed design to see if it is feasible.
6. Pine Street currently has minimal to no swale capacity South of Mangrove Street. Recommend on the East side of Pine to create a new swale South to Becca Avenue. Piping is not suggested on the East side of Pine due to a new water main constructed in the area. Pipe the West side of Pine Street the entire length from Mangrove Street to Becca Avenue. Provide cross pipes connecting to Weeks Avenue and Becca Street. Replace pipe (or conform to design) under Becca Avenue at South end of Pine Street (West side) and install structure with backflow into canal. Provide accommodations for future 6.0' pathway on west side of Pine Street (to be designed by Others).
7. Weeks Avenue has no swale capacity to the South and floods regularly. The right of way area to the North is wider. Suggest making a stormwater detention facility along the North for water quality with cross pipes to the south. South side suggested to be piped because there is no room for a swale due to limited right of way.

8. Becca Avenue occasionally floods under high tide. Recommend installing pipe along north side of Becca Ave. from Pine Street to Bayshore Ave. Consideration of the existing water main will be required in locating the storm pipe. Install a new cross pipe at the West end of Becca Avenue with structure and backflow device, and discharge into the canal. Possible cross pipe at the mid-block canals with outfall and backflow device, and discharge into the canals. At the East end of Becca Avenue (North side), rebuild the existing headwall and replace the backflow device to prevent Bayshore Ave. tidal surge from entering Becca Avenue.
9. Recommend at each outfall location along Becca Avenue to install new headwalls with backflow devices, and discharge into the canals. This will help with localized high tide flooding of the area, but will not eliminate the problem.

This Site Assessment Summary letter concludes the work for this task on the project. Please feel free to call with any questions, and we look forward to continuing to work with you as we move forward with the detailed design phase of the project.

Sincerely,

CRA and County PROJECT UPDATES – April 2022

1. DEL'S PROPERTY ACQUISITION - Closed on November 20, 2020. Survey of property identified some issues. ROW easement was approved by the BCC on 11/9. Demolition to begin July 5, 2022. Final completion by October 2022. Following demolition, highest and best use analysis to be conducted.
2. PUBLIC ART PLAN – John Melleky, Arts and Culture Manager attended the May CRA Advisory Board meeting. He is scheduling the first Public Art Committee in June. Once the PAC is ready, he will invite a representative from the BGTCRA to attend and discuss the vision for the community. Staff is reviewing the options to create a Public Art Grant program to allow for the installation of murals and public art in the community. Similar to the same standards that were previously discussed in the draft ordinance.
3. 17 AC - BOARDWALK – May 24 BCC approved the contract with Stantec. NTP issued with June 10, 2022 start date. There are 340 contract days to complete design and permitting.
4. BRANDING - Paradise Advertising and Marketing, Inc. – Comments were sent to consultants; staff is waiting for revised narratives.
5. SHUTTLE SERVICE – On-demand Service. Staff will need to develop a Request for Proposals to find out options and costs. Target this summer so service could begin in late fall 2022.
6. LAND USE REGULATIONS/BONUS DENSITY AMENDMENT – Completed and posted online. Application for Density Pool Bonus being drafted as well as information on the changes to share with GMD staff and the public.
7. Francis Avenue lot –CRA will continue to maintain two properties as needed. These two sites are for stormwater improvements.
8. Conservation Collier Cycle 10 Properties – The Bayshore Parcels (Forrest G Amaranth Trust – 71 acres) was removed from the list due to property owner's change of mind. No longer interested in selling parcel.
9. Linwood Sidewalk – Safe Routes to School Project – PE –2022/2023 and Construction 2024/2025. This is FDOT FY – (July 1 to June 30). Michael Tisch County Project Manager

FPN : 4465501 Project/Location : SHADOWLAWN ELEMENTARY - SRTS

Desc: SIDEWALK

Comments :

Phase	Fund	2021/ 2022	2022/ 2023	2023/ 2024	2024/ 2025	2025/ 2026
CST	SR2T	\$0	\$0	\$0	\$771,516	\$0
PE	SR2T	\$0	\$90,943	\$0	\$0	\$0
Project Total:		\$0	\$90,943	\$0	\$771,516	\$0

10. Pine Street – FDOT Funded Becca to US41 – PE 2022/2023. Construction 2024/2025. Will coordinate with stormwater study. Stormwater project needs to be completed prior to sidewalk construction.

11. Commercial Drive Stormwater Improvements – Off-site improvements will be completed by mini-triangle developer. Improvements have been designed and permitted. The project will replace a 15-inch diameter drainage pipe across Commercial Drive with a 30-inch drainage pipe to improve stormwater conveyance to the Gateway Triangle stormwater management pond. The project will install a 36-inch connection pipe in the alley just west of commercial Drive to improve stormwater management connections which will help reduce flooding in this alley.

Creativity in Bloom

Projects Update

Tami Scott

Linwood Way:

Based on review by County Attorney's office, installing landscaping in this area is not recommended due to access for the adjacent property owner. Staff is reviewing options regarding the installed water meter.

Hamilton Avenue:

- Construction contract has been awarded to Haskins Inc. NTP will be issued on January 10, 2022.
- CEI contract has been approved with Johnson Engineering, Naples Florida.
- Project Manager assigned to the project is Olivier Sureau Collier County Facilities.
Olivier.sureau@colliercountyfl.gov
- Danford Street is not part of this project and is still in design.
- Project is in its 130-day, remaining days to finish project is 220
- Roadway will be shifted over on or about **JUNE 13, 2022**, boat parking will be eliminated once the shift is made
- The NBC has reviewed the Hamilton Ave landscape specifications and drawings prepared by the landscape Architect of record Michael McGee.

FDOT Project:

US 41 safety improvement projects is underway; FDOT has given a start date of **JUNE 20, 2022** for the area in and around Bayshore with a project completion date of October 2022.

FDOT Project manager Josephine Mak 239-272-7099

CRA Parking Lot:

Gates and electric timer for heritage tree installed Staff is working on additional items:

- Electric car charger
- Clean out stormwater grate

Bayshore Bridge:

Fence has been installed; Carter is now working on the horizontal bars that need to be welded to post.

Access Management:

Project is progressing, staff is waiting for report from consultant. Community meeting will be scheduled to discuss findings.

MSTU Landscape:

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

New plants for medians
have been installed. New
mulch has been installed.

MSTU staff has met with the NBG, Collier County LA and Coastal to solidify the scope of work for medians 23 and 20.

Next month's walk thru with A & M Property Maintenance, LLC is schedule for June 08, 2022 8:30 am. Board members are welcome to join. Meet at Del's parking lot

Stormwater:

Two projects underway

- o Becca, Weeks and Pine- Notice to proceed has been issued to Bolt Engineering. April 29, 2022 Final Site Summary Letter submitted to staff. 30% plans anticipated. Staff will present to CRA Advisory Board in near future.
- o Gateway Triangle- Kisinger Campo & Associates was selected via County Contract rotation process to provide engineering services. The County is working on final Work Order.

- **South Bayshore:**

Isles of Collier is working on an entrance off Bayshore, two light poles were removed and brought to storage
To make way for the mini roundabout.

Sabal Shores street lighting:

Signed contract was sent to FPL on 4-25-2022, approximate installation and delivery is 14-18 weeks

Bus Stop on Thomasson Drive:

Staff is working with the transportation department to modify two bus stop number 134 on Thomasson / Lombardy drive.

Attachment 12- Item 12a

As of 5/31/22, the construction of the Hamilton Avenue improvements project is 19% complete. The following has been accomplished so far:

- Installation of new watermain (By City of Naples)
- Installation of western drainage structures and pipes
- Import of base rock for temporary south bound lane (Future multi-use path)
- Installation of lighting electrical conduits and landscaping irrigation pipes
- Pour concrete for western roadway curb
- Pour concrete for sidewalk/multi-use path on north side of Thomasson and on Hamilton south of Windstar entrance
- Prepare driveways and temporary traffic lanes for asphalt
- Started construction of roundabout at Hamilton and Thomasson intersection

Traffic switch from the existing roadway to the temporary traffic lanes is expected to occur on 6/13/22. Parking in the Hamilton ROW will not be available after the traffic switch. For additional information, please contact Collier County Senior Project Manager Olivier Sureau at 239-252-8361.

FOR IMMEDIATE RELEASE

Hurricane Season Officially Begins June 1 Be Prepared *The first 72 are up to you!*

The 2022 Atlantic Hurricane Season Officially Begins June 1 and Ends November 30.

Hurricane hazards come in many forms, including storm surges, heavy rainfall, inland flooding, high winds, tornadoes, and rip currents. It is essential that your family be ready before a storm approaches and that you have a 72-Hour Disaster Survival Kit prepared. ***Remember, the first 72 are up to you! Stronger category storms may require you to have a 5-7-day kit.***

Every home should have a 72-Hour Disaster Survival Kit. Prepare a minimum three-day (72-hour) supply for each person – don't forget the pets. Although hurricanes are our focus at this time of the year, other events could require evacuation. Brush fires, hazardous material spills, floods, and tornados all have the potential to disrupt our daily activities.

At a minimum, your 72-Hour Disaster Survival Kit should contain the following.

Food - at least enough for three days for every person

Water - at least one gallon per day (three gallons per person, plus extra for the pets!)

Blankets/Pillows

Cash – banks and ATMs won't be open during power failures

Cell Phone Car Chargers

Clothing - seasonal/rain gear/sturdy shoes

First Aid Kit (including medicines and prescription drugs)

Flashlights/Batteries

Keys - an extra set of home and car keys

Mosquito Spray

Radio - Battery operated and NOAA weather radio

Special Items - for babies and the elderly

Toiletries (hygiene items/moisture wipes)

Toys (books and games)

Tools - keep a set with you during the storm

Sign-up at Alert Collier for local emergency alerts at www.alertcollier.com

Important Documents (in a waterproof container) – insurance policies, medical records, bank account/mortgage deeds/titles, Social Security cards, birth certificates, etc.

Pet care items

-proper identification/immunization records/medications

-ample supply of food and water

-a carrier or cage

-muzzle and leash

Don't forget to fill your vehicle's fuel tank.

Consumers can purchase qualifying disaster preparedness supplies exempt from tax during the **2022 Disaster Preparedness Sales Tax Holiday**. Passed by the Florida Legislature and signed into law by Gov. Ron DeSantis, the sales tax holiday begins **Saturday, May 28 and extends through Friday, June 10**. The Department of Revenue created a [webpage](#) to provide information and promotional materials for consumers, businesses, and other interested parties.

Collier County encourages all residents to **sign up for Alert Collier**, the County's mass notification system. When you sign up with Alert Collier, you can enter up to five addresses within the County boundaries that you would like to receive emergency alerts. For example, enter your home, work, relative, school, or other meaningful address. Then, you will receive a notification if an alert is issued for that location. Register at www.AlertCollier.com or call 3-1-1 within Collier County.

View the Collier County online edition of our [All Hazards Guide](#) for more information.

Spanish

**La temporada de huracanes comienza oficialmente el 1 de junio
Estar preparado
¡Los primeros 72 dependen de ti!**

**La temporada de huracanes del Atlántico 2022 comienza oficialmente el 1 de junio y
finaliza el 30 de noviembre.**

Los peligros de los huracanes se presentan de muchas formas, incluidas las marejadas ciclónicas, las fuertes lluvias, las inundaciones tierra adentro, los vientos fuertes, los tornados y las corrientes de resaca. Es esencial que su familia esté lista antes de que se acerque una tormenta y que tenga preparado un kit de supervivencia en caso de desastre de 72 horas. Recuerda, ¡ Los primeros 72 dependen de ti! Las tormentas de categoría más fuerte pueden requerir que tenga un equipo de 5 a 7 días.

Cada hogar debe tener un kit de supervivencia ante desastres de 72 horas. Prepare un suministro mínimo para tres días (72 horas) para cada persona; no se olvide de las mascotas. Aunque los huracanes son nuestro enfoque en esta época del año, otros eventos podrían requerir evacuación. Los incendios forestales, los derrames de materiales peligrosos, las inundaciones y los tornados tienen el potencial de interrumpir nuestras actividades diarias.

Como mínimo, su kit de supervivencia ante desastres de 72 horas debe contener lo siguiente.

Comida: al menos suficiente para tres días para cada persona.

Agua: al menos un galón por día (¡tres galones por persona, más extra para las mascotas!)

Mantas/Almohadas

Efectivo: los bancos y los cajeros automáticos no estarán abiertos durante los cortes de energía

Cargadores de coche para teléfonos móviles

Ropa: de temporada/equipo para la lluvia/zapatos resistentes

Botiquín de primeros auxilios (incluidos medicamentos y medicamentos recetados)

Linternas/Baterías

Llaves: un juego extra de llaves de la casa y del coche

Aerosol contra mosquitos

Radio: funciona con pilas y radio meteorológica de la NOAA

Artículos especiales - para bebés y ancianos

Artículos de tocador (artículos de higiene/toallitas humectantes)

Juguetes (libros y juegos)

Herramientas: mantenga un juego con usted durante la tormenta

Regístrese en Alert Collier para recibir alertas de emergencia locales en www.alertcollier.com

Documentos importantes (en un contenedor a prueba de agua): pólizas de seguro, registros médicos, cuenta bancaria/títulos/títulos de hipoteca, tarjetas de seguro social, actas de nacimiento, etc.

artículos para el cuidado de mascotas

-identificación adecuada/registros de vacunación/medicamentos

- Amplio suministro de alimentos y agua.

-un portaequipajes o jaula

-bozal y correa

No olvides llenar el tanque de combustible de tu vehículo.

Los consumidores pueden comprar suministros de preparación para desastres que califiquen exentos de impuestos durante la exención de impuestos sobre las ventas de preparación para desastres de 2022. Aprobado por la Legislatura de Florida y convertido en ley por el gobernador Ron DeSantis, el feriado de impuestos sobre las ventas comienza el sábado 28 de mayo y se extiende hasta el viernes 10 de junio. El Departamento de Ingresos creó una página web para proporcionar información y materiales promocionales para consumidores, empresas, y otras partes interesadas.

El condado de Collier alienta a todos los residentes a inscribirse en Alert Collier, el sistema de notificación masiva del condado. Cuando se registra en Alert Collier, puede ingresar hasta cinco direcciones dentro de los límites del condado en las que le gustaría recibir alertas de emergencia. Por ejemplo, ingrese la dirección de su casa, trabajo, pariente, escuela u otra dirección significativa. Luego, recibirá una notificación si se emite una alerta para esa ubicación. Regístrese en www.AlertCollier.com o llame al 3-1-1 dentro del condado de Collier.

Vea la edición en línea del condado de Collier de nuestra Guía de todos los peligros para obtener más información.

Creole

Sezon siklòn yo kòmanse ofisyèlman 1ye jen

Prepare

Premye 72 yo se ou menm!

Sezon Siklòn Atlantik 2022 la kòmanse ofisyèlman 1ye jen epi fini 30 novanm.

Danje siklòn yo vini sou plizyè fòm, tankou vag tanpèt, gwo lapli, inondasyon andedan, gwo van, tònad, ak kouran dlo. Li esansyèl pou fanmi w pare anvan yon tanpèt apwoche epi pou w prepare yon Twous pou siviv pou katastwòf 72 èdtan. Sonje byen, premye 72 yo se ou menm! Tanpèt kategori ki pi fò yo ka mande w pou w gen yon twous 5-7 jou.

Chak kay ta dwe gen yon Twous pou siviv pou katastwòf 72 èdtan. Prepare yon pwovizyon minimòm twa jou (72 èdtan) pou chak moun – pa bliye bèt kay yo. Malgre ke siklòn yo konsantre nou nan moman sa a nan ane a,

lòt evènman ka mande pou evakyasyon. Dife bwòs, devèsman materyèl danjere, inondasyon, ak tònad tout gen potansyèl pou deranje aktivite nou chak jou.

Omwen, Twous Siviv pou Katastwòf 72 èdtan ou a ta dwe genyen sa ki annapre yo.

Manje - omwen ase pou twa jou pou chak moun

Dlo - omwen yon galon pa jou (twa galon pou chak moun, plis siplemanntè pou bèt kay yo!)

Dra/Zòrye

Lajan Kach – bank yo ak ATM p ap louvri pandan pann kouran

Telefòn Selilè Machin Charger

Rad - sezon/kovèti pou lapli/soulye ki solid

Twous Premye Swen (ki gen ladan medikaman ak medikaman sou preskripsyon)

Flach/Pil

Kle - yon seri siplemanntè nan kle kay ak machin

Espre moustik

Radyo - Batri opere ak radyo meteyo NOAA

Atik espesyal - pou ti bebe ak granmoun aje yo

Pwodwi pou twalèt (atik ijyèn / ti sèvyèt imidite)

Jwèt (liv ak jwèt)

Zouti - kenbe yon seri avèk ou pandan tanpèt la

Enskri nan Alert Collier pou alèt ijans lokal yo nan www.alertcollier.com

Dokiman Enpòtan (nan yon veso ki enpèmeyab) – kontra asirans, dosye medikal, kont labank/tit ipotèk/tit, kat Sekirite Sosyal, batistè, elatriye.

Atik pou swen bèt kay

-bon jan idantifikasyon/dosye vaksen/medikaman

-apwovizyonman manje ak dlo

-yon transpòtè oswa kaj

-mizo ak laisse

Pa bliye ranpli tank gaz machin ou an.

Konsomatè yo ka achte founiti pou preparasyon pou katastwòf ki kalifye yo pa peye taks pandan Jou Ferye Taks Komèsyal Preparasyon pou Dezas 2022 la. Lejislati Florid la te adopte epi Gouvènè Ron DeSantis te siyen an lwa, jou konje taks sou lavant la kòmanse samdi 28 me epi l rive vandredi 10 jen. Depatman Revni te kreye yon paj wèb pou bay enfòmasyon ak materyèl pwomosyon pou konsomatè, biznis, ak lòt pati ki enterese.

Collier County ankouraje tout rezidan yo pou yo enskri pou Alert Collier, sistèm notifikasyon mas Konte a. Lè ou enskri ak Alert Collier, ou ka antre jiska senk adrès nan limit Konte a ke ou ta renmen resevwa alèt ijans. Pa egzanp, antre lakay ou, travay ou, fanmi w, lekòl ou oswa lòt adrès ki gen sans. Lè sa a, w ap resevwa yon notifikasyon si yo bay yon alèt pou kote sa a. Enskri nan www.AlertCollier.com oswa rele 3-1-1 nan Collier County.

Gade edisyon sou entènèt Collier County Gid pou tout danje nou an pou plis enfòmasyon.

OUR PERMANENT HOUSING PROGRAMS

HOMELESS PREVENTION

For those who have permanent housing but may be facing eviction for past due rent.

RAPID REHOUSING

For those who are experiencing homelessness OR about to experience homelessness, with reliable income, we are able to assist with FIRST and LAST months rent along with SECURITY DEPOSIT to obtain safe permanent housing.

**HUNGER &
HOMELESS
COALITION**
OF COLLIER COUNTY

The mission of the Hunger & Homeless Coalition is to support the planning, delivery and coordination of high quality services to the hungry, homeless, and those at risk of homelessness in our community.

Homelessness and poverty do not discriminate. Let's work together in Collier County to bring an end to the risks that vulnerable residents face. It's important to understand what people experiencing homelessness go through and design a system of care that makes sense.

COLLIER COUNTY, Fla. — Six people were arrested in East Naples on Friday after Collier County deputies found fentanyl and other drugs on the scene.

Now the six people are facing more than a dozen narcotics-related charges. The incident occurred at 2479 Andrew Drive.

According to the Collier County Sheriff's Office (CCSO), Kutchev Pierre, 39, was charged with possession with intent to distribute a controlled substance, possession of a controlled substance, possession of fentanyl, possession of MDMA, and possession of marijuana under 20 grams....

Jennifer Conway, 32, was charged with possession of cocaine, possession of fentanyl, and possession of controlled substance.

Aisha Carballo, 40, was charged with possession of methamphetamine, possession of fentanyl, and possession of cocaine.

Joshua Woodward, 44, was charged with possession and/or use of narcotic paraphernalia.

Charles Shields, 59, was charged with possession and/or use of narcotic paraphernalia.

Paul Nippert, 61, was charged with possession and/or use of narcotic paraphernalia.

Pierre, Conway, Woodward, and Shields are all convicted felons, according to CCSO.

"Our community spoke up and our hardworking and diligent detectives answered with these six arrests," Sheriff Kevin Rambosk said in a [CCSO Facebook post](#). "These arrests send a message that illegal narcotics and the people who buy, sell and use them are not welcome in Collier County."

All six suspects were taken to Collier County Jail.
