FOR IMMEDIATE RELEASE

Disaster Recovery Center Open in Collier County

The State of Florida and FEMA are operating a Disaster Recovery Center (DRC) in Collier County.

Location:

Veterans Community Park

1895 Veterans Park Drive, Naples 34109

Hours of operation: 9 a.m. to 6 p.m. daily until further notice.

Disaster Recovery Centers provide disaster survivors with information from Florida state agencies, FEMA, and the U.S. Small Business Administration. Survivors can get help applying for federal assistance, learn about the types of assistance available, learn about the appeals process and get updates on applications.

In addition to visiting a center, you can apply by going online to www.disasterassistance.gov, using the FEMA mobile app or calling 800-621-3362. Help is available in most languages. If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service.

Disaster Recovery Centers are accessible to people with disabilities. They have assistive technology equipment that allows disaster survivors to interact with staff. Video Remote Interpreting is available and in-person sign language is available by request. The centers also have accessible parking, ramps, and restrooms.
