

Free Tetanus and Flu Vaccination Events in Collier County

To prevent potential bacterial infections associated with disaster cleanup, Healthcare Network, in collaboration with the Department of Health, Collier County, is holding **free mobile tetanus vaccination** events (see schedule below) as well as providing **medical and mental health support**. To prevent serious complications from the flu, the **Community Outreach Team will also be providing free flu vaccines**.

The Outreach Team will be distributing **care packages** including cleaning supplies, wipes, hand sanitizer, canned foods and water (while supplies last).

For those in need, the Outreach Team will also be available to help community members **navigate resources for recovery**. Please call Healthcare Network's multilingual Community Outreach Team at **239.675.7080** or email **outreach@healthcareswfl.org** for more information.
