June 7, 2023 Meeting Minutes

BAYSHORE BEAUTIFICATION MSTU MINUTES OF THE JUNE 7, 2023 MEETING

The meeting of the Bayshore Beautification MSTU Advisory Committee was called to order by Maurice Gutierrez at 5:00 p.m. located at 4870 Bayshore Dr, Buehler Auditorium.

- I. **Roll Call:** Advisory Board Members Present: George Douglas, Maurice Gutierrez, Sandra Arafet, Frank McCutcheon, Bob Messmer, and Susan Crum. Joann Talano was approved to attend virtually.
- II. **MSTU Staff Present:** Greg Oravec, CRA Director, Tami Scott, Project Manager, Shirley Garcia, Program Manager
- III. **Pledge of Allegiance:** Led by Maurice Gutierrez.
- IV. **Adoption of Agenda:** Sandra Arafet made a motion to accept the Agenda, seconded by Susan Crum. The motion passed unanimously.
- V. **Adoption of Minutes:**
 - a. May 3, Minutes – Sandra Arafet noted the misspelling of her last name, Staff will revise. George Douglas made a motion to approve as amended, seconded by Susan Crum approved unanimously.
- VI. **Landscape Report:**
 - a. **Armando Yzaguirre** -Did not attend but CRA staff will provide the update.
 - b. **MSTU Project Managers Maintenance Report** – Ms. Scott noted that Armando has fertilized all the medians with the exception of the Innocuous Program. He just got the liquid fertilizer from Aaron last week so he's going to be doing that next week. It's a six-month test. Ms. Scott will photograph it as soon as he puts it down and every month moving forward. But once he gets through I would like to start replanting on the roundabout. She doesn't know if anyone has noticed it but on median 20 there is an ice plant. It looks great and seems to be bulletproof. Maybe staff can introduce some more of that. We're on the third LA for the entrance at Bayshore and 41. Staff is using the rotation system with the procurement which they are requiring. The second LA wasn't interested in the project. The staff has the third one which Ms. Scott met with this week which is Johnson Engineering. Staff went out, took photographs and he's going to provide a scope of services for us. Hopefully, Ms. Scott will have that for you at the next meeting for you to review.

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

VII. Community / Business Presentations:

- a. **Sheriff's Office** – Sgt Tuff, Cpl Ramos and Cpl Caudhill attended to address some of the residents concerns on Danford Street. In attendance were some of the residents from the street. Mr. Brankov brought in some photos of some of their concerns and also noted the traffic speeding on the street. Sgt Tuff took notes and will request extra patrols to do speeding patrol. There was also a concern about flooding on the street and why the CCSO isn't closing down the street when the road is flooded, the Sargeant noted that Road Maintenance determines when a road gets closed and they do not step on their toes. If Road Maintenance needs assistance they will call them and request it otherwise they stay in their lane. The othe concerns were when they park is closed could the Sheriff's office patrol the park after it closes and make people leave because right now there are no gates and everyone comes in and out of the park 24/7. They noted that concern and will work with Parks and Recs Department to assist. George Douglas requested no parking signs be put on Hamilton and Thomasson Drive so Ms. Scott will request the County install the no parking signs.
- b. **17 acre presentation17 Acre Boardwalk Presentation-** Ms. Scott provided the current update and introduced our consultant from Stantec, Kevin Mangan who is providing a powerpoint presentation and overview of where we are at today. The next step is to provide the boards with some costs for materials and submit a site development plan into the Growth Management Division. The approximate cost for construction is \$2.73 million, the north parking lot cost is estimated at \$450,275 and the south parking lot is estimated at \$415,775. Maurice Gutierrez recapped what he asked last night at the CRA meeting, if staff could investigate negotiating with the Shadley property to swap out one of the corner pieces of the 17 acres for their property. The consensus from all the board members were in support of investigating this possibility. Staff will bring back an update as soon as possible.

c.

VIII. Old Business:

- a. **Summer Vacation** – Ms. Garcia asked if the committee would like to take July and August instead of August – September. This would help staff and the new CRA Director get a handle on everything going on with all three boards. There is a lot to catch up on and the summer break would be a good time. George Douglas made a motion to take July, August off seconded by Susan Crum passed unanimously.

IX. New Business:

X. Staff Reports:

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

- a. **Project Updates** – Staff noted the project updates and if anyone had any questions.
- b. **Insurance Claims Report**-Staff noted the insurance claims and asked if anyone had any questions.
- c. **Financials** – Staff noted the financials were attached if anyone had any questions.

XI. Communications and Correspondence:

- a. **The 239 Article**- The article on the hotel on Areca/Bayshore was attached if anyone had any questions.

XII. Public Comments:

Item 6b

September 13, 2023 Meeting Minutes

BAYSHORE BEAUTIFICATION MSTU MINUTES OF THE SEPTEMBER 13, 2023 MEETING

The meeting of the Bayshore Beautification MSTU Advisory Committee was called to order by Maurice Gutierrez at 5:00 p.m. located at 4870 Bayshore Dr, Buehler Auditorium.

- I. **Roll Call:** Advisory Board Members Present: Maurice Gutierrez, Sandra Arafet, Frank McCutcheon, and Susan Crum. Bob Messmer was approved to attend virtually. George Douglas and Joann Talano had an excused absence.
- II. **MSTU Staff Present:** Greg Oravec, CRA Director, and Shirley Garcia, Program Manager.
- III. **Pledge of Allegiance:** Led by Maurice Gutierrez.
- IV. **Adoption of Agenda:** Maurice Gutierrez made a motion to accept the Agenda, seconded by Frank McCutcheon. The motion passed unanimously.
- V. **Adoption of Minutes:**
 - a. June 7, Minutes – Sandra Arafet noted the misspelling of her last name, Staff will revise and bring it back for approval September meeting.
- VI. **Landscape Report:**
 - a. **Armando Yzaguirre** -Armando noted the monthly updates to the landscaping noting the heat index this year is higher than the last so he has to run irrigation more than he did last year, there may be higher water costs and that is the reason for it. Frank McCutcheon noted some ants at the top of the palm trees at the roundabout so Armando will address that issue. He suggested doing another soil sample prior to planting anything else in the roundabout to determine the viability of what type of plants to use.
 - b. **MSTU Project Managers Maintenance Report** – Staff attached project manager report for review. Mr. Oravec mentioned what a great job Ms. Scott did engineering a solution for the planters on the bridge, she came up with using pizza pans drilled in to keep folks from throwing trash in the planters.
- VII. **Community / Business Presentations:**
- VIII. **Old Business:**
 - a. **EV Chargers CRAParking Lot Update** – Ms. Garcia noted the opportunity she found for free EV Chargers to install in the parking lot. All the costs would be at FPL's expense, the only obligation the MSTU has is to keep the chargers there for 10 years.

Bayshore Gateway Triangle CRA • Bayshore Beautification MSTU
Haldeman Creek MSTU

The construction, permits, and site plans would all fall under FPL's cost. Ms. Garcia will send it to Legal for review. Once the County Attorney's Office approves of the agreement, FPL will send their engineers to the site to see if it is viable for them to install it so staff can then place it on the BCC agenda. Staff will provide an update as soon as they get one.

- b. **Electrical Breaker Box Replacement-** Ms. Scott provided an update memorandum on the electrical box replacement costs and timeframe.

IX. New Business:

X. Staff Reports:

- a. **Insurance Claims Report-** Staff noted the insurance claims with one being outstanding because they are paying monthly payments until \$5,876 is paid in full.
- b. **Financials** – Staff noted the financials were attached if anyone had any questions.

XI. Communications and Correspondence:

- a. **The Coastal Cleanup:** Ms. Garcia asked if anyone would like to attend on the 16th, they will meet at the CRA parking lot in the morning to hand out supplies and shirts.
- b. **Ascent Article:** The article was attached for anyone interested.
- c. **Del Ackerman Article:** The article was attached for anyone interested.
- d. **Another Cultural Thread coming to Naples:** The article was attached for anyone interested.

Memorandum

Item 7a.i

TO: BBMSTU ADVISORY BOARD
VIA: GREGORY J. ORAVEC, CRA DIRECTOR
FROM: TAMI SCOTT, PROJECT MANAGER
SUBJECT: BAYSHORE PLANT REPLACEMENT AT ROUNDABOUT
DATE: OCTOBER 20, 2023

Agenda Item-7a

Request

Request to approve replanting at the Bayshore roundabout.

Background & Analysis

This memorandum serves to provide the board with information regarding the replanting at the roundabout.

The official 6-month completion date for the Inoculant pilot project is November 16, 2023, staff has coordinated to have the all the medians in and around the roundabout replanted starting November 17, 2023, the goal is to have everything completed prior to November 26, 2023, which is the first day of botanical gardens "Night Lights".

Staff has worked with the Naples botanical Garden and the A & M landscaping to make a planting selection based on site conditions, longevity of plant material, cost and availability, the group is proposing **Asiatic Jasmine** for the main plant and **Ice plant** for the areas adjacent to the roundabout wall. In addition to replacing the plant material we are replacing the soil as well.

Total cost for the replanting is \$35,412.50, the money would come from the additional services fund. The additional services fund has approximately \$70,000 for the year, this expenditure, along with services already allocated it will cap out the fund for the year.

Attached are the following exhibits:

1. Map showing the proposed planting locations
2. Correspondence with the Naples Botanical Garden
3. Estimate from A& M Landscaping

Recommendations

Staff recommends the board approve moving forward with the re-planting.

EXTERNAL EMAIL: This email is from an external source. Confirm this is a trusted sender and use extreme caution when opening attachments or clicking links.

Good morning Tami and Armando, happy Monday to both of you!

I gathered some feedback from my colleagues at the Garden, and also gathered some feedback from the City of Fort Myers and the City of Naples about possible plants to use for the roundabout area.

Keep in mind that compliance with Florida Department of Transportation (FDOT) sightline regulations is essential. Additionally, all areas where shrubs and groundcovers will be planted must have a minimum planting depth of 6 inches of planting mix free of rocks and weeds (see FDOT design specifications section 987.2.4. 'Soil Layer Materials'), This will ensure proper growth and longevity of the plants.

Considering the challenging median conditions, there are no foolproof groundcovers for these areas, and the lifespan of plants can vary from as little as 6 months to a maximum of 5 years. For the best results, prioritize shrubs, trees, and palms where space and sightlines are appropriate, provided that the conditions are suitable for their establishment.

Groundcovers:

- o Singapore holly, *Malpighia coccigera*- same level of maintenance as Perennial peanut, great performer for roadside applications.
- o Dwarf pandanus, *Pandanus pygmaeus*
- o Cliff bromeliad, *Pitcairnia angustifolia*
- o Different cultivars of drought/sun tolerant bromeliads such as *Dyckia spp.* and *Hechtia spp.*
- o Succulents such as agaves and aloe, *Agave spp.* And *Aloe spp.*
- o Yellow and orange bulbine, *Bulbine frutescens*
- o Super blue liriopse, *Liriope muscari* 'Super blue'
- o 'Beach Bum Blue' blue daze, *Evolvus glomeratus* 'Beach Bum Blue' (1 – 1 ½ year only)
- o Asiatic jasmine, *Trachelospermum asiaticum* (3-5 years or more)
- o Society garlic, *Tulbaghia violacea* (1-2 years)
- o Perennial peanut, *Arachis glabrata* 'Needlepoin', 'Ecoturf' or 'Waxy Leaf' cultivars— success is mixed with the different cultivars across the Southwest Florida region.
- o African iris, *Dietes bicolor*
- o For trial we could use *Puya mirabilis* in select locations, it seems to be a hardy plant, more grass like look until it blooms.

Please let me know if you have any questions or additional thoughts.

Kind regards,

Isabel Soto

Subject: RE: Bayshore roundabout plant palette
Attachments: Roundabout ground cover .pdf

Hi Armando,

Just a friendly reminder I am waiting on your proposal for the following:

1. Removal of existing plants, soil and mulch in and around the roundabout as shown in the attached plan.
2. Installation of new soil
3. Installation of new plants – Asiatic Jasmine at the four corners of the ROW all the way down to the bus stop as shown in the plan and Ice plant at the inner circle of the roundabout.

I spoke with Pam Lulich the County LA yesterday, she suggested planting more than less as the Asiatic Jasmine can be a slow grower. I would rather thin the bed out a few months from now than have to wait a year for it to fill in. In order to meet our completion deadline of 11-25-2023 this item needs to go on our November 8th MSTU agenda, we will be asking for approval.

Let me know if you see any issues.

Regards,

Tami Scott

Background & Analysis

1. Bus Shelters

Transportation has issued the PO and NTP to Capital Construction for the new Bus shelters throughout Collier County. The BGTCRA /MSTU are partnering on three of the shelters.

- 00120-BS129- total contribution \$34,905 - Gulfgate plaza
- 00130-BS134- total contribution \$54,404 - Thomasson and Lombardy- north
- 00140-BS143- total contribution \$56,522 - Thomasson and Lombardy- south

numbers show above are for BOTH construction and the actual shelter itself. No schedule has been provided regarding when Capital Construction will be working on our area.

2. Corner of Bayshore and 41

Staff is planning on holiday decorations at this corner.

The existing gas station sign is technically allowed to remain until it is declared abandon, staff is going to look at removing it and or covering the sign and leaving the plinth.

3. 17 Acres Boardwalk

Design portion of the project is moving along.

- Stantec's contract is currently on HOLD awaiting the SDP approval, we are awaiting the SFWMD and DEP review and approval.
- Stantec, Staff and our Environmental Consultant met with SFWMD and DEP on site October 18, 2023, to confirm the consultant's location of the wetland's delineation line shown on the proposed plans.
- Stantec will be attending the November 7th MSTU meeting and November 8th CRA meeting to update the boards on the 90% drawings, discuss material selections, opinion of probable cost and next steps.

5. Sidewalk at Mattamy homes

Portion of sidewalk has been replaced.

6. Roundabout

Chevron signs have been repaired. Proposed replanting material to be reviewed at the November meeting.

7. Thomasson Drive / Dels lot

The exotics from this lot have been removed, debris removed, lot graded and re-sodded. A&M landscaping has added this lot to their monthly mowing.

8. Holiday decor

Staff is working on holiday decor for the 2024 season. Staff will present package at the October 4, 2023, meeting.

9. Miscellaneous repairs to Bayshore

Staff is moving forward with the replacement of the electrical panel, repair to fence on jeepers and tree at CRA parking lot.

The logo for Collier County's newsletter features a palm tree icon above the text "Collier County" in a blue serif font. Below this, the words "my Collier Newsletter" are written in a larger, blue, cursive-style font. The background of the header image shows a wooden pier extending into the ocean under a clear sky.

Collier County my Collier Newsletter

2023 International Coastal Cleanup

Keep Collier Beautiful is proud to have led the 38th annual International Coastal Cleanup on September 16, 2023. Nearly 1,000 volunteers flocked to Collier County's beaches, canals, and lakes to protect the community's wildlife by picking up litter and debris.

Among the organizers, site captains, and volunteers were staff members from the Collier County Solid & Hazardous Waste Management Division, Collier County's Park Rangers, Collier County Road Maintenance Division, Bayshore Gateway Triangle CRA, Immokalee CRA, Collier County Clerk of the Circuit Court and Comptroller's Office, and the UF/IFAS Extension of Collier County.

It took more than 3,000 volunteer-service hours to organize this community-wide cleanup effort. Volunteers collected over 360 trash bags of litter and debris from 17 locations, including sites like Barefoot Beach, Clam Pass, Rookery Bay NERR, Lake Trafford, Vanderbilt Beach, Delnor-Wiggins Park, and more. In addition to plastic and glass bottles, cigarette butts, and expected debris, volunteers found planks of wood, construction materials, and barnacle-covered chairs that may have been remnants of Hurricane Ian continuing to wash ashore.

Keep Collier Beautiful appreciates the contributions of local civic organizations, high school clubs, as well as Girl Scout and Boy Scout troops that took part in the event. Additionally, organizations such as the WM, Naples Airport, Walmart, WastePro, and the Hilton Naples brought out groups to support the local environment. Some also picked up paddles to go out on a kayak to collect debris from the mangroves. Collier County residents of all ages and from different walks of life joined to lend their hands for this event, showing their love and care for the community.

The International Cleanup event was founded by the Ocean Conservancy, with local efforts being spearheaded by Keep Collier Beautiful and its partner organizations. The community-wide cleanup brings together volunteers, local businesses, and municipalities to support Collier County's unique environment. Through ongoing partnerships, Keep Collier Beautiful helps support litter prevention, education, and community cleanup programs.

About Keep Collier Beautiful:

As an affiliate of Keep America Beautiful, Inc., Keep Collier Beautiful is a non-profit, public education organization dedicated to improving waste-handling practices in Collier County. The organization was founded in 1996 and is governed by a volunteer board representing business and industry, government, environmental

organizations, civic and professional associations. They serve as catalysts to bring together diverse groups to help Keep Collier Beautiful through litter and marine debris control and prevention, recycling, and education. For more information, visit www.keepcollierbeautiful.com.

If you just opted in, you're consenting to receive marketing emails from: Collier County Government, 3301 Tamiami Trail E, Naples, FL 34112. You can revoke your consent to receive emails at any time by using the SafeUnsubscribe® link, found at the bottom of every email. [Emails are serviced by Constant Contact](#)

OPERATION MEDICINE CABINET®

A pharmaceutical take-back program brought to you by:
DrugFreeCollier.org

Working to Save & Change Lives

Operation Medicine Cabinet helps keep harmful drugs from falling into the wrong hands and offers a responsible alternative for reducing pharmaceutical contaminants in our environment.

A Prescription for Safe Kids & Clean Environment

- **DO** Lock up all medications and keep away from children and teens.
- **DO** Bring unused or expired prescriptions and over-the-counter medication to one of the locations listed for proper disposal.
- **Don't** Flush medication down the toilet. It is a danger to our environment.
- **Don't** Bring needles or other "sharps." They cannot be accepted.*

* Sharps may be taken to a Collier County Recycling Drop-off Center during regular business hours. For information on sharps disposal call Collier County Public Utilities Solid Waste Division at (239) 252-2508.

OPERATION MEDICINE CABINET®

A pharmaceutical take-back program brought to you by:
DrugFreeCollier.org

Trabajando para Salvar y Cambiar Vidas

Operation Medicine Cabinet ayuda evitar que sus medicinas caigan en manos de los niños y ofrecen alternativas responsables para reducir fármacos contaminantes en nuestro ambiente.

Una Prescripción para Asegurar a los Niños y un Ambiente Limpio.

- **SI** Traiga todo tipo de medicinas vencidas o las que no use y permítan desecharlas de manera apropiada.
- **SI** Ponga todas sus medicinas en un lugar seguro para que sus hijos y nietos no tengan acceso a ellas.
- **NO** Descarte las medicinas en la basura ni las eche en el inodoro.
- **NO** Traiga agujas u otros objetos punzantes. No pueden ser aceptados*

* Objetos punzantes pueden ser llevados a Collier County Recycling Drop-off Center durante horas regulares de negocios. Para información de disposición llame a Collier County Public Utilities Solid Waste Division at (239) 252-2508.
