VII. Landscape Report:

- **a.** Armando Yzaguirre -Armando noted the monthly unpdates to the landscaping noting the new plantings at the roundabout. He put an order in for more soil and mulch, its dry out there but the irrigation is running good. The cost of the plantings will use up all the money in the incidentals for the year but if they want to spend the money than that is up to them.
- b. MSTU Project Managers Maintenance Report Staff attached project manager report for review. Ms. Scott provided the estimate for \$35,000 that Mr. Yzaguirre was talking about it will be to remove all the soil, and any existing plants, mulch, and add new soil, plants and mulch. Mr. Oravec wanted to mention that we are moving forward, seeing positive change, and setting the standards the community expects. He expressed that the median will be the best in the County and there is no issue with using the funds they have available. Maurice made a motion to approve and move forward on the new plantings, second by Sandra Arafet approved unanimously.

Background & Analysis

Inoculant study

• The study was completed on 11-16-2023, staff photographed the areas and gather soil samples.

Roundabout

Re-planting is complete looks great. We had a vehicle accident on Friday November 24, 2023 lights will need to be replaced.

Bus Shelters

Transportation has issued the PO and NTP to Capital Construction for the new Bus shelters throughout Collier County. The BGTCRA /MSTU are partnering on three of the shelters.

- 00120-BS129- total contribution \$34,905 Gulfgate plaza
- 00130-BS134- total contribution \$54,404 Thomasson and Lombardy- north
- 00140-BS143- total contribution \$56,522 Thomasson and Lombardy- south
- numbers show above are for BOTH construction and the actual shelter itself. No schedule has been provided regarding when Capital Construction will be working on our area.

17 Acres Boardwalk

Design portion of the project is moving along.

- Stantec's contract is currently on HOLD awaiting the SDP approval, we are awaiting the SFWMD and DEP review and approval.
- Stantec, Staff and our Environmental Consultant met with SFWMD and DEP on site October 18, 2023, to confirm the consultant's location of the wetland's delineation line shown on the proposed plans.

Roundabout

- Armando's team has completed the work and it already looks great; we used approximately 2050 plants.
- We have changed the irrigation cycle to come on once a day for the next few weeks.
- The Ice plants at the roundabout retaining wall are on back order, the supplier gave us the red annuals for free to make up for the mix up, after the holidays we will replace.
- Armando's team will power wash the sidewalks and roundabout retaining wall on Friday the 24th or Saturday the 25th.

Holiday decor

Staff is working on holiday decor.

Miscellaneous repairs to Bayshore

Staff is moving forward with the replacement of the electrical panel, repair to fence on Jeepers and tree at CRA parking lot.
